Wolf Gatherings Box Set, Volume One Becca Jameson, 2020-01-26 The Wolf Gatherings is a biennial event that takes place in rural Oklahoma where all the North American wolves come together to discuss wolf politics and hopefully find a mate. Although some wolves aren't as eager to mate as others, each story follows a claiming as shifters from various families meet and find themselves unable to resist the call of mates. Tarnished Becca Jameson, 2013-08-01 Mating a wolf is totally off the table or is it? Wolf shifter Mackenzie Davis has no interest in mating with another wolf. A horrific experience in her past has hardened her to this resolve. She loves her life as is with the perfect job, the perfect friends, and the perfect boyfriend, a human one. Nevertheless, her mother implores her to attend this year's Wolf Gathering. Reluctantly dragging her feet, she agrees to one day only. Drake Spencer has come to the gathering from Texas with his family. He's twenty-eight and believes his chances of finding a mate are slim to none, especially since he saw the woman he felt connected to leave with another man at the last gathering. But what if the woman who has consumed his dreams for the last two years is not actually mated? When Mackenzie and Drake meet, sparks fly. Mackenzie hopes to deny the claim on her. But can she? The call of mates is stronger than she expected. What will happen to her sense of self if she follows this man to Texas? Not to mention Drake. Can he live with the mental scars of her past? This book is a re-release of a previously published book. No additions or changes have been made to the story.

Wolf Gatherings Box Set, Volume Two Becca Jameson, 2020-01-26 The Wolf Gatherings is a biennial event that takes place in rural Oklahoma where all the North American wolves come together to discuss wolf politics and hopefully find a mate. An agreement. A risk to the heart. The final explosive installment of bestselling author Becca Jameson's *The Underground* MMA series. MMA fighter Sergei Zholdin has lusted after Agent Taylor Brown from the moment he moved to Chicago. Now the FBI wants him to pretend they're a couple. The idea is laughable. The steam between the two of them is intense. Nevertheless, Sergei agrees to the charade. And they manage to fake like they're into each other for about two minutes. Taylor is in over her head. Moving in with Sergei for the sake of appearances awakens a dormant libido she didn't even know she had. Sergei takes her places she has only dreamed about every time they close the door to their apartment. If anyone finds out the truth, she could get fired. There is a case to solve. A killer to catch. Taylor needs to concentrate on her obligations. Sergei needs to concentrate on his construction job and his MMA training. Their arrangement was never meant to be permanent. The two of them couldn't be more different. The heat inside their bedroom is explosive, but it's temporary. Right. This book is a re-release of a previously published book. No additions or changes have been made to the story. Accepting Love Becca Jameson, 2023-05-16 Hannah. I'm deeply little in my heart. But no one outside. Surrender can ever know. In my real life, I have a reputation to uphold. I'm a well-known public persona. The vanilla world wouldn't understand. When I'm alone

I can be myself When I m not I m what everyone expects me to be Zane I ve had my eye on Hannah for two years When I ve asked her out she s turned me down I know she likes me It s obvious I dominate her but only inside the club walls It s against strict policy for me to pressure her So I wait and watch and hope And then fate drops me into her space outside the club
