Tatiana S Broken Wing:

Tatiana's Broken Wing Terry Stone, 2014-12-07 Tatiana's Broken Wing is a Christmas story about a little fairy named Tatiana and her quest to find Jack Frost to create a star for the wee folk's Christmas tree Incriminations Karen S. McPherson, 2021-09-14 Maintaining that women's storytelling is a telling activity Karen McPherson reads for guilt in novels by five twentieth century writers Simone de Beauvoir L'Invitée Marguerite Duras Le ravisement de Lol V Stein Anne H. Bert Kamouraska Virginia Woolf Mrs Dalloway and Nicole Brossard Le désert mauve She finds in the vocabulary and atmosphere of these novels a linking of female protagonists to crime and culpability The guilt however is not clearly imputed or assumed it tends to trouble the conscience of the entire narrative Through critical close readings and an inquiry into the interrelations among narration transgression and gender McPherson explores how the women in the stories come under suspicion and how they attempt to reverse or rewrite the guilty sentence The author examines the complex process and language of incrimination reflecting on its literary philosophical social and political manifestations in the texts and contexts of the five novels She looks for signs of possible subversion of the incriminating process within the texts Can female protagonists and women writers escape the vicious circling of the story that would incriminate them In the course of this book the stories are made to reveal their strikingly modern and postmodern preoccupations with survival
