Starting from JEE Advanced 2018, every IIT is supposed to give admission to at least 17% (in 2019-20) girl students in every stream in IIT. For 17% representation of girls in a course in IIT, most of the girl candidates from extended merit list were offered a stream and the number of seats in the course was also increased wherever it was required. Hence the cut off rank of girls in every stream was lower compared to general cut off.

Hence with this new opportunity, Girl students with the support of FIITJEE training system will get immensely benefitted and can become a strong contender for a berth at IITs.

While the path is comparatively easier for girls, in addition to that FIITJEE has introduced Fuel Empowerment - All girl students will be getting **additional 25% waiver in Tuition Fee**. For details, contact your nearest FIITJEE Study Centre.

You gave the Test from home in Proctored Online mode & considering that you maintained the environment like a real test centre and didn't take any other help, we got a fair idea of your potential on the basis of your performance in the Test.
