

Teaching Plan & Student Guide for Totin' Chip

Document Purpose: This plan was developed as a teaching guide for boy leaders who are teaching to Totin' Chip class to a group of boys. It has 4 parts that you need to teach in order for the students/boys to get their Totin' chip. Remember, boys learn well with hands-on instruction and not boring lectures. Build your presentation so that it is visual and has plenty of tools to pass around.

The introduction section of this document (below) can be used as speaker notes for you when you do your presentation. You read the parts that say **speaker**. But remember... be animated...don't just read the paper without looking at and engaging the audience. Practice your presentation ahead of time and know the materials. An unprepared speaker who does not know his materials will lose his audience's attention within a minute!

Materials List: work gloves (3 pairs), eye protection glasses (3 pairs), 50ft roll of orange marking tape, stakes for corners of aoe yard, small tarp (to keep tools on), bucket of saws/axes from troop supplies, example of axe with a sheath, rope, an example of a small hatchet with a sheath, whetstones (3 for knife sharpening), household oil, sharpening files (2-3 for axes), and a pocket knife. Also a bundle of logs (to practice splitting), a large chopping log to chop on, a large branch (to demonstrate limbing only), 30 degree wood blocks that can be used to demonstrate sharpening angle. You might also have examples of illegal tools like a knife that doesn't fold or and axe that is in poor condition.

You'll also need a number of totin chip cards, copies of the test (see below), and the student guide (see below).

Introduction

Speaker: Welcome boys to my Totin' Chip class! My name is _____ and today I'll be instructing you on how to handle a knife, an, saw. I know some of you may already handle these items, but I'm going to show you the boy scout way – which is to do it in a safe and environmentally friendly way.

Speaker: The Totin' Chip (hold one up) is a card issued to a Scout authorizing him to use woods tools. It is like a license or permits that can be revoked if he fails to show proper responsibility. If you pay attention and take this seriously today, you'll earn this card at the end of my lessons when you take the written test! Then you'll have earned the privilege to carry a scout knife and use a saw and ax around camp!
