The True Value of CSR B. Fryzel, 2014-12-22 By considering the importance of Corporate Social Responsibility CSR as a business paradigm but also as a growing scepticism about its outcomes The True Value of CSR answers questions about true value behind this concept motivations of firms embedding CSR in their core strategies and a capacity of CSR to make a real difference on the market

Tourism and Degrowth Robert Fletcher, Ivan Murray Mas, Asunción Blanco Romero, Macià Blázquez-Salom, 2020-06-29 *Tourism and Degrowth* develops a conceptual framework and research agenda for exploring the relationship between tourism and degrowth Rapid and uneven expansion of tourism as a response to the 2008 economic crisis has proceeded in parallel with the rise of social discontent concerning so called overtourism Meanwhile despite decades of concerted global effort to achieve sustainable development socioecological conflicts and inequality have rarely reversed but in fact increased in many places Degrowth understood as both social theory and social movement has emerged within the context of this global crisis However thus far the vibrant degrowth discussion has yet to engage systematically with the tourism industry in particular while by the same token tourism research has largely neglected explicit discussion of degrowth This volume brings the two discussions together to interrogate their complementarity Identifying a growth

imperative in the basic structure of the capitalist economy the contributors contend that mounting critique of overtourism can be understood as a structural response to the ravages of capitalist development more broadly Debate concerning overtourism thus offers a valuable opportunity to re politicise discussion of tourism development generally Exploring of the potential for degrowth to facilitate a truly sustainable tourism Tourism and Degrowth will be of great interest to scholars of tourism environmental sustainability and development The chapters were originally published as a special issue of the Journal of Sustainable Tourism

The Report: Gabon 2014 Oxford Business Group,2014-09-30 With just 1.63m people Gabon is the second smallest member of the six country Central African Economic and Monetary Community in terms of population after Equatorial Guinea However the country's well developed hydrocarbons sector has made Gabon the second largest economy in the sub region The economy of Gabon has largely developed on the back of the country's substantial oil and gas resources however declining production levels are leading the government to pursue a strategy of economic diversification While efforts to encourage new investment and offshore oil exploration may yet yield results the development of other industries including forestry and mining is being encouraged Meanwhile like many African countries Gabon is working to ensure that a larger percentage of natural resource wealth is channelled into the national economy
