Conservation, Tourism, and Identity of Contemporary Community Art Virginia Santamarina-Campos, María Ángeles Carabal-Montagud, María de Miguel-Molina, Blanca de Miguel-Molina, 2017-11-23 This unique volume aims to promote new models of sustainable management in the field of contemporary mural art Cultural heritage has become an essential tool for society stressing the necessity to properly conserve cultural resources in order to maintain a socially economically and environmentally sustainable development In this book the mural Allegory to Work by the artist Felipe Seade located in Uruguay is used as a

case study The work of Felipe Seade a prominent political mural artist of the twentieth century reflects the influence of Mexican heritage and the socio political themes of that time which were commonly used by the Social Realism art movement The authors look at the mural and its restoration through the lens of tourism globalization and new interest in cultural heritage The book demonstrates that the restoration should be aware that the perspective of the protagonists must be incorporated in the intervention process This first of its kind volume brings together historical ethnographic tourism and scientific research that leads to a sustainable project from the point of view of identity economy politics and society This volume with over 50 color illustrations and many black and white photos will be valuable for college and research libraries undergraduate and graduate students researchers and professors in the field of cultural heritage and art as well as those involved in community based research At the Limits of Care Janna Klostermann, 2025-10-15 For author Janna

Klostermann reaching her limits and resigning from care work felt like a crisis of self In the aftermath of this upheaval this is the book she needed to write At the Limits of Care will change how you think about care work and about the women who provide it Now an assistant professor in sociology and a radical care scholar Klostermann interrogates women's counter stories of reaching their limits crossing ethical lines and stepping back from paid or unpaid care work roles She uncovers gendered power dynamics and their constraining effects on women's lives transforming the ways we think about ourselves and our relationships The book makes a major contribution in how and what constitutes care research Drawing on in depth life history interviews with women ages twenty seven to seventy eight in Ontario Canada Klostermann enacts a counter politics of care approach that centres untold and lesser told stories of care work She pushes readers to rethink gendered power dynamics question prevailing tropes of care and imagine more equitable emancipatory futures At the Limits of Care challenges dominant narratives around women and care through a blend of feminist sociological analyses and memoir

Mapping Diaspora Patricia de Santana Pinho, 2018-10-26 Brazil like some countries in Africa has become a major destination for African American tourists seeking the cultural roots of the black Atlantic diaspora Drawing on over a decade of ethnographic research as well as textual visual and archival sources Patricia de Santana Pinho investigates African American roots tourism a complex poignant kind of travel that provides profound personal and collective meaning for those searching for black identity and heritage It also provides as Pinho's interviews with Brazilian tour guides state officials and Afro Brazilian activists reveal economic and political rewards that support a structured industry Pinho traces the origins of roots tourism to the late 1970s when groups of black intellectuals artists and activists found themselves drawn especially to Bahia the state that in previous centuries had absorbed the largest number of enslaved Africans African Americans have become frequent travelers across what Pinho calls the map of Africanness that connects diasporic communities and stimulates transnational solidarities while simultaneously exposing the unevenness of the black diaspora Roots tourism Pinho finds is a fertile site to examine the tensions between racial and national identities as well as the gendered dimensions of

travel particularly when women are the major roots seekers **Music and Capitalism** Timothy D. Taylor, 2015-12-29 Timothy D Taylor deeply reveals the social organization of capitalism and its profound impact on music Jocelyne Guilbault author of *Governing Sound* iTunes Spotify Pandora With these brief words one can map the landscape of music today but these aren't musicians songs or anything else actually musical they are products and brands In *Music and Capitalism* ethnomusicologist Timothy D Taylor explores just how pervasively capitalism has shaped music over the last few decades Examining changes in the production distribution and consumption of music he offers an incisive critique of the music industry's shift in focus from creativity to profits as well as stories of those who are laboring to find and make musical meaning in the shadows of the mainstream cultural industries Taylor explores everything from the branding of musicians to the globalization of music to the emergence of digital technologies in music production and consumption Drawing on interviews with industry insiders musicians and indie label workers he traces both the constricting forces of bottom line economics and the revolutionary emergence of the affordable home studio the global internet and the mp3 that have shaped music in different ways A sophisticated analysis of how music is made repurposed advertised sold pirated and consumed *Music and Capitalism* is a must read for anyone who cares about what they are listening to how and why Taylor convincingly argues we can't properly look at music in a vacuum that doesn't consider economics and provides a framework for understanding the big pictures and unseen hands driving the industry and the people who work within it PopMatters
