discourse analysis critical cartography museum and heritage studies ethnography architectural history visual culture including film and comics studies and gaming studies It aims to disrupt the idea of adopting linear histories or isolated geographies in order to understand the impact and legacy of penal colonies The overall claim made by the collection is that understanding the cultural production associated with this global phenomenon is a necessary part of a wider examination of carceral imaginaries or penal spectatorship Brown 2009 past present and future It brings together historiography criminology media and cultural studies *Strategic Environmental Assessment and Urban Planning* Giovanni Campeol,2020-07-06 This volume gathers a selection of research contributions on Strategic Environmental Assessment SEA including theoretical and methodological studies and real world case studies It sheds new light on the respective steps in the procedure defined in the SEA Directive from theoretical and operational standpoints intended to enhance the sustainability of plans and programmes adopted by local regional and national authorities Improving the legitimacy and transparency of decision making in the field of environmental management was one of the goals that led the European Commission EU to adopt Directive 2001 42 EC on the assessment of environmental programmes effects This book provides a multidisciplinary approach to SEA and addresses the demand for policies and strategies to strengthen resilience through concrete measures to reduce energy consumption mitigate pollution promote social inclusion and create urban identity **Yearbook of International Organizations 2014-2015 (Volume 4)** Union Of International Associations,Union of International Associations,2014-09-17 The Yearbook of International Organizations provides the most extensive coverage of non profit international organizations currently available Detailed profiles of international non governmental and intergovernmental organizations IGO collected and documented by the Union of International Associations can be found here In addition to the history aims and activities of international organizations with their events publications and contact details the volumes of the Yearbook include networks between associations biographies of key people involved and extensive statistical data Providing both an international organizations and research bibliography Volume 4 cites over 46 000 publications and information resources supplied by international organizations and provides nearly 18 000 research citations under 40 subject headings This volume also includes a research bibliography on international organizations and transnational associations

Bleeding-Edge Entrepreneurship João J. Ferreira,Patrick J. Murphy,2023-01-26 This book contains an Open Access chapter Bleeding edge Entrepreneurship illuminates new possibilities within the domain of business theory and practice expanding entrepreneurship s massive potential to create unexplored physical and virtual realms **The Draw of the Alps** Richard McClelland,2023-10-24 The Alps have exerted a hold over the German cultural imagination throughout the modern period enthralling writers artists philosophers scientists and tourists alike The Draw of the Alps interrogates the dynamics of this fascination Though philosophical and aesthetic responses to Alpine space have shifted over time the Alps continue to captivate at an individual and collective level This has resulted in myriad cultural engagements with Alpine space as this

interdisciplinary volume attests Literature photography and philosophy continue to engage with the Alps as a place in which humans pursue their cognitive and aesthetic limits At the same time individuals engage physically with the alpine environment whether as visitors through the well established leisure industry as enthusiasts of extreme sports or as residents who feel the acute end of social and environmental change Taking a transnational view of Alpine space the volume demonstrates that the Alps are not geographically peripheral to the nation state but are a vibrant locus of modern cultural production As The Draw of the Alps attests the Alps are nothing less than a crucible in which understandings of what it means to be human have been forged

Performing Flight Scott Magelssen,2020-01-01 *Performing Flight* sheds new light on moments in the history of US aviation and spaceflight through the lens of performance studies From pioneering aviator Bessie Coleman to the emerging industry of space tourism performance has consistently shaped public perception of the enterprise of flight and has guaranteed its success as a mode of entertainment travel research and warfare The book reveals fundamental connections between performance and human aviation and space travel over the past 100 years beginning with the early aerial entertainers known as barnstormers named after itinerant 19th century theater troupes to the performative history of the Enola Gay and its pilot Paul Tibbets who dropped the bomb on Hiroshima thus ushering in the atomic age The book also explores the phenomenon of the pilot voice the creation of the American Astronaut on whose performative success the Cold War the Space Race and funding of the US Space Program all depended and the performative strategies employed to cement notions of space tourism as both manifest destiny and an escape route from a failed planet A final chapter addresses the four hijacked flights of 9 11 and their representations in discourse and in memorials *Performing Flight* effectively and imaginatively demonstrates the ways in which performance and flight in the United States have been inextricably linked for more than a century

Yearning to Belong Patrick Pillai,2015-10-14 Malaysia is among the most ethnically diverse and culturally rich nations on earth Yet much of its cultural wealth lies buried beneath the rubric of its main Malay Chinese and Indian race categories the dazzling diversity within and outside these groups remains largely unexplored This book uncovers some of this fascinating diversity through the stories of five little known acculturated ethnic groups in Peninsula Malaysia The author a Malaysian sociologist delivers an insightful and lucid study of these groups with some surprising findings These communities illustrate how much more cross cultural mingling sharing and co dependence there is within Malaysian society than we care to recognize admit or celebrate This raises various questions Is a similar process of spontaneous inter ethnic interaction possible between larger ethnic groups today How can we foster such acculturation and can it by itself contribute to ethnic harmony The author also discovers that despite their long settlement and deep acculturation segments of these groups are anxious about their future and pine for an indigenous identity What are the implications of this trend for ethnic relations and how can it be resolved This book traces the acculturation journey of these communities and draws lessons for ethnic relations in one of the most complex multi ethnic nations in the world It will

appeal to scholars students laymen and visitors interested in migration history culture ethnicity and heritage in Malaysia and the region

Offshore Energy Law Ignacio Herrera Anchustegui, Madeline Taylor, Eduardo G Pereira, Eddy Wifa, 2025-05-29 This book examines the regulatory environmental financial socio legal and safety aspects that shape offshore energy infrastructure projects and their operation The marine environment holds vast resources to provide energy solutions for humankind The sustainable development of such offshore energy resources is one of the most pressing challenges posed by the energy transition Whereas offshore hydrocarbons have been explored and extracted for more than a century the offshore renewable industry is rapidly expanding with lawmakers increasingly looking to the oceans for significant energy development Offshore spaces now amalgamate mature and emerging energy industries creating a pressing need to identify synergies and regulatory challenges However and despite the pivotal role offshore energy is to play in the future the interaction synergies and conflicts arising between these regulatory socio legal environmental and financial dimensions of offshore energy are often not discussed within the energy law scholarship This book aims to fill this evident gap in existing energy law research to distil critical legal lessons from traditional offshore energy sectors to encourage best practice regulation of offshore energy net zero industries Offshore Energy Law provides a functional analysis that covers the life cycle of offshore energy developments including renewable and hydrocarbons within the broader context of the energy crisis and energy transition debates Written and edited by leading global offshore energy experts the book brings together a global and sectoral comparative perspective to central offshore energy topics such as licensing socio legal challenges and opportunities safety and ecological governance and the use of marine maritime spatial planning

Creating Wilderness Patrick Kupper, 2014-07-01 The history of the Swiss National Park from its creation in the years before the Great War to the present is told for the first time in this book Unlike Yellowstone Park which embodied close cooperation between state supported conservation and public recreation the Swiss park put in place an extraordinarily strong conservation program derived from a close alliance between the state and scientific research This deliberate reinterpretation of the American idea of the national park was innovative and radical but its consequences were not limited to Switzerland The Swiss park became the prime example of a scientific national park thereby influencing the course of national parks worldwide

The Gateway to the Pacific Meredith Oda, 2019-01-03 In the decades following World War II municipal leaders and ordinary citizens embraced San Francisco's identity as the Gateway to the Pacific using it to reimagine and rebuild the city The city became a cosmopolitan center on account of its newfound celebration of its Japanese and other Asian American residents its economy linked with Asia and its favorable location for transpacific partnerships The most conspicuous testament to San Francisco's postwar transpacific connections is the Japanese Cultural and Trade Center in the city's redeveloped Japanese American enclave Focusing on the development of the Center Meredith Oda shows how this multilayered story was embedded within a larger story of the changing institutions and ideas that were shaping the city During these formative decades Oda argues San

San Francisco's relations with and ideas about Japan were being forged within the intimate local sites of civic and community life. This shift took many forms including changes in city leadership, new municipal institutions and especially transformations in the built environment. Newly friendly relations between Japan and the United States also meant that Japanese Americans found fresh if highly constrained job and community prospects just as the city's African Americans struggled against rising barriers. San Francisco's story is an inherently local one but it also a broader story of a city collectively if not cooperatively reimagining its place in a global economy.
