Holmes,2020-11-30 This book explores the growing

importance of subnational diplomacy by examining the state of California As the fifth largest economy in the world California's tribes counties cities and the state itself are changing the shape of diplomatic theory and practice and defining what it means to be a global state As both a theoretical text and a practical guide this book offers a current snapshot of California then connects this narrative to the fundamental international relations concepts of diplomacy and sovereignty and the working assumptions of professionals in the field Through interviews with those representing all of the entities of the state as well as the diplomats sent to the United States to represent the interests of their home countries Holmes creates what she calls the vertical axis of diplomacy providing context and depth to a re-emerging form of diplomacy increasingly relevant in this pandemic moment

We Wanted Workers George J. Borjas, 2016-10-11 From America's leading immigration economist The Wall Street Journal a refreshingly level-headed exploration of the effects of immigration We are a nation of immigrants and we have always been concerned about immigration As early as 1645 the Massachusetts Bay Colony began to prohibit the entry of paupers Today however the notion that immigration is universally beneficial has become pervasive To many modern economists immigrants are a trove of much-needed workers who can fill predetermined slots along the proverbial assembly line But this view of immigration's impact is overly simplified explains George J. Borjas a Cuban American Harvard labor economist Immigrants are more than just workers they're people who have lives outside of the factory gates and who may or may not fit the ideal of the country to which they've come to live and work Like the rest of us they're protected by social insurance programs and the choices they make are affected by their social environments In *We Wanted Workers* Borjas pulls back the curtain of political bluster to show that in the grand scheme immigration has not affected the average American all that much But it has created winners and losers The losers tend to be nonmigrant workers who compete for the same jobs as immigrants And somebody's lower wage is somebody else's higher profit so those who employ immigrants benefit handsomely In the end immigration is mainly just another government redistribution program I am an immigrant writes Borjas and yet I do not buy into the notion that immigration is universally beneficial But I still feel that it is a good thing to give some of the poor and huddled masses people who face so many hardships a chance to experience the incredible opportunities that our exceptional country has to offer Whether you're a Democrat a Republican or an Independent *We Wanted Workers* is essential reading for anyone interested in the issue of immigration in America today

Mike Mentzer John Little, 2025-05-20 Bodybuilding's foremost nonconformist and strikingly handsome intellectual Mike Mentzer rose to the top of his sport despite opposition from industry insiders like rival Schwarzenegger Written by his close friend of two decades Mike Mentzer *American Odysseus* chronicles Mentzer's journey in a fiercely competitive world to become one of the most iconic bodybuilders of all time **REBEL PHILOSOPHER BODYBUILDING ICON** Mike Mentzer was a strikingly handsome man with a brilliant mind and a perfect physique the first bodybuilder to receive a perfect score in both amateur and professional competitions In the late 70s Mentzer rose to the very top of his sport despite the efforts made by

industry power brokers such as Arnold Schwarzenegger was featured in GQ magazine and profiled on national television. But he was also a man who wrestled with mental illness his entire life and ended up living on the streets and being sent to prison. Just when it seemed his career was over, he found it within himself to reboot his intellect and revolutionize bodybuilding training, arguing bodybuilders should not forsake their mental development in favor of developing their bodies. He became a pariah in the fitness industry, which only cared about selling supplements and other products, but a hero to legions of fans who earnestly sought truth. Mike Mentzer: American Odysseus is the first biography of Mike Mentzer to appear in North America, written by his close friend of 21 years, John Little, one of the leading fitness researchers in North America. Iron Man magazine. Drawing upon audio recordings, letters, diary excerpts, as well as interviews with those closest to him, this is the true story of one man who stood up to an entire industry and paid the ultimate price. *Opportunity* Rob Moore, 2021-03-25

Opportunities are limitless and abundant. The problem is many people can't recognise them. It can feel like opportunity doesn't knock for you, or other people get more opportunities, or you have bad luck and timing. You just need to know where to look. How to ask. When to ACT. Opportunity can be a window or a door; sometimes it opens right in front of you, and sometimes it knocks. You need to be ready: windows, doors, and eyes open. Are you waiting for that once in a lifetime or business opportunity to change your life? How will you know when it comes? How will you be sure it's right for you? This book is not about waiting for an opportunity. It's a book containing strategies that can be employed immediately, ensuring you attract opportunities abundantly, both big and small, and you're ready to recognise and take them. To turn ideas into opportunities. Successful people often make their own luck; they find success because they have trained their minds to recognise great opportunities and make the most of them, rather than freezing with uncertainty or lacking the vision to see them through. They know the opportunity cost of not taking them. In this book, you'll learn how to spot, seize, and implement the right opportunities, and how to say NO to the wrong ones. You'll learn to take fast and slow opportunities. When opportunity appears, you'll be ready to take advantage, seize the day, and win at life. **Healing Secrets for the Modern Mind** SANTOSH TIWARI, 2025-05-02

Lets delve into the realm of top-selling books, exploring the captivating narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Total Recall My Unbelievably True Life Story Arnold Schwarzenegger : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
