Religious Humor in Evangelical Christian and Mormon Culture Elisha McIntyre, 2018-01-25 Incorporating perspectives from religious studies humor studies cultural and film studies and theology as well as original data from textual analysis and the voices of religious comedians this book critically analyses the experiences of believers who appreciate that

their faith is not necessarily a barrier to their laughter. It is often thought that religion and humor are incompatible but Religious Humor in Evangelical Christian and Mormon Culture shows that humor is not only a popular means of entertainment but also a way in which an individual or community expresses their identity and values. Elisha McIntyre argues that believers embrace their sense of humor actively producing and consciously consuming comic entertainment that reflects their own experiences. This process is not however without conflict. The book argues that there are specific characteristics that indicate a unique kind of humor that may be called religious humor. Through an examination of religious humor found in stand up comedy, television sitcoms, comedy film, and satirical cartoons, and drawing on interview data, the book outlines the main considerations that Christians take into account when choosing their comedy entertainment. These include questions about ideology, blasphemy, taboos around the body, and the motives behind the joke. *Dramatic Works* Franklin Pierce Norton, 1915

It also provides the best, most sustained exposure possible to the most wide-ranging, acute, and original literary intelligence of the post-World War II years. *United States* is an essential book in the canon of twentieth-century American literature and an endlessly fascinating work. *The Saturday Evening Post*, 1926. Married... With Children vs. the World Richard Gurman, 2024-04-23. A rollicking account of the groundbreaking show from one of the show's producers featuring the voices of the stars, creators, and executives involved with bringing it to life. I had the pleasure of working with Richard Gurman for eleven years. When he sent me his new book *Married With Children vs the World*, I figured it would be a trip down memory lane. So I was stunned by some revelations I never knew. And reminded how brilliant much of the writing was. What a time that was. If you liked *Married With Children*, then you should read this book. You're in for a treat. Ed O'Neill. *Married With Children* burst onto the airwaves with a full frontal attack on the myth of domestic tranquility depicted in family comedies since the dawn of TV. The outlier series created by two rebellious writers given carte blanche from a fledgling FOX became one of the longest running live-action sitcoms in television history and forever changed the way married life was portrayed on the very networks it so scathingly satirized. But it was far from smooth sailing as the creators bucked up against Barry Diller, then CEO of FOX, on everything from casting to content, and then butted heads with network standards as they sought to shatter traditional broadcast norms. Reading *Married With Children vs the World* jolted me right back into the mindset where our little show was the rock n roll of sitcoms, fighting to get heard in an easy-listening world. Richard Gurman, who was there for the whole ride, digs deep into the joys and frustrations of the entire experience and turns it up loud. Katey Sagal. *Married With Children* writer/producer Richard Gurman takes us behind the scenes of this boundary-breaking show to reveal how its

inner workings were at times as disruptive and contentious yet at other times as hysterical and raunchy as the Bundy family themselves Featuring exclusive interviews with the cast including Ed O Neill and Katey Sagal media moguls network executives writers directors critics and even the woman who was so offended by one episode she launched a sponsor boycott that almost got the series canceled Married With Children vs the World celebrates the rebellious satirical vision of the show and the battle to keep it alive that paved the way for the tremendous diversity in family comedy style we see today Not only is this an accurate chronicle of both families on either side of the camera but what should also serve as a valuable lesson of never giving up on a dream Michael G Moye Co Creator I had almost as much fun reading Married with Children vs the World as I had working on the show Almost Richard Gurman chronicles from his vantage point inside the writers room and the sound booth how we broke the china in the family sitcom kitchen and upended the television industry by doing so What could be more fun than that David Garrison The American Mercury George Jean Nathan, Henry Louis Mencken, 1925
