In *Growing Up in the Bronx*, the experiences include desperately wanting a tricycle for Christmas, facing up to the school bully, *The Fight*, his first kiss and first betrayal. *Army Stories* depict struggling for survival after being drafted during Korea. *Dix and New York Stories* struggle to gain a foothold in the business world. *Getting Started* as well as *first love* or near love before the big decision to leave behind job, girl, and Jewish mother to gain freedom in California. *Goodbye New York*, *San Francisco stories* chronicle the adventures, mostly misadventures, of young men on their own for the first time: a hopeless passion, *Being in Love*, an illicit affair, *Party Time*, and a decision to settle down. *Going to Sacramento*. In *Sacramento Stories*, the focus shifts to marriage, children, and work. *Paying the Bills*, *The Promotion*. The last story reflects on something we all must face: *Mortality*. **Remove. Replace. Restart** Christian Greiser, 2023-09-28 Have you ever had the feeling that you're treading water professionally, that you're coming up against limits in terms of what you can achieve? If so, says Christian Greiser, it might be high time to take some time out. Careers progress through distinct phases: we climb the career ladder, we change direction, or set up a business, and eventually we retire. As different as these phases are, so too are the rules of success that govern them. If we are to keep succeeding, we must mentally shift gears and realign ourselves accordingly along the way. We must take an honest and sometimes challenging look at our own character, understanding the inner driving forces behind our previous successes, questioning our patterns of behaviour, and discarding the behaviours that no longer serve us. In this way, we can accomplish the transition to the next phase of our life and career and come back stronger than before. *Passionate career technician* Christian Greiser is here to help us do just that. In this humorously written

new book he draws on insights from his many years of experience as an executive coach and incorporates research findings case studies and exercises to show how we can reset our mental attitude and achieve success and fulfilment in the next phase *Reprint Series* , Abstract Bulletin of the Institute of Paper Chemistry ,1977 **Consumer behavior** James F.
