All characters are 18 or older. If she's being honest Sandra Rogers sometimes enjoys jerking around the male college students in her classes but when she goes too far with her bad marks she finds out there's someone in her class who won't get pushed too far. Jackson an undergraduate after completing his military service has discovered a dirty little secret that Sandra will do anything to keep from getting out into the open. He's willing to keep this secret between them but he wants to be sure that still gets the punishment she so very much deserves. Excerpt I'm going to punish you Sandra he explained his hand undoing the zipper and allowing the skirt to open and fall to the floor. I clutched a hand over my panties. You don't seem to be grasping that reality. It's either me or the Chair of your Department. Which one do you want it to be? I stared at him caught in an impossible place. I had no one to blame but myself. Why had I done it? And now I was completely at his mercy. Well You I whispered. Me You want me to punish you? I grimaced trying to think of some other option. Sandra What's it going to be? Yes. The smile returned to his face. That's a good girl. I thought you'd see it my way. It just took a little explaining. Now bend down and pick up your skirt and hand it to me. I'd hate to let it wrinkle down there. The deep crimson blush of humiliation was rising in my face as I stared at him paralyzed. Sandra he repeated pointing at my fallen garment. I slid my back down the wall until I felt the rumpled fabric in my hand. I stepped out of it and rose with it draped from my limp fingers. Jackson held out his hand for it and I gave it to him. He folded it with care placed it on the desk behind

him and then turned back to me He eyed me up and down evaluating the woman standing before him I was supposed to be the authority figure but how fast the tables had turned I felt the blush in my cheeks burning hotter than ever as I felt his eyes roving my trembling body Other more conflicted and confusing emotions were playing about inside me as well as I noticed the slight quickening of his breath and the desire in his eyes

Excerpt You know Professor I begin I understand why you have me cleaning the classroom I'm really learning a lesson But as for talking to Jessie I really don't understand why that's so necessary How do you know I don't like her I shrug my shoulders That's the sort of thing I get to decide for myself isn't it I'm not just a child you get to push around like that I wince slightly as I hear the last words come out of my mouth That may have been taking it too far but it was where the conversation was headed anyways That's a very interesting perspective Peter he says in a neutral voice But surely if you cared about her you wouldn't be manipulating her into giving you her work when she clearly didn't want to I roll my eyes in dismissal Professor I say is it really that simple Sometimes you need something from someone that's all It doesn't hurt her any if she helps me out

mortification he can admit he s probably earned the spanking he ll get but did Mr Iverson really have to tell Professor Vicarro about the whole thing too Surely he ll find his own ways to settle accounts and all Jackson can do is wait and see which method will leave him more sore Excerpt The ensuing silence was awful After daring the initial glance towards Professor Vicarro my eyes had stayed locked on a spot on the floor near the leg of the desk I could feel him considering me Won t you say something Professor I finally blurted I m trying to understand you Jackson What s to understand I shouldn t have said I just made a mistake What did you want I struggled with the question I guess I just sort of liked the idea of it to tell the truth I said finally in a very quiet voice I m just so incredibly embarrassed professor He blinked in surprise Then he started to laugh Is that what it was he said I thought I saw something in the way you looked at me and it made the lie all the harder to understand He closed the door of the office and stepped into the room But then again if you knew the headache what a stupid thing I m sorry He loosened his necktie and ran a frustrated hand through his dark hair Even though it was wildly inappropriate given the situation I couldn t help but find him even more alluring when angry than when he was calm and collected He seemed simultaneously capable of anything and yet in control I got the sudden and very strange insight that he had probably been the type to get into a lot of trouble when he was younger He turned back to look at me and caught me staring His eyes locked to mine freezing me in place and I watched a faintly appraising look come into his face Well what are we going to do about this he asked The question sounded rhetorical so I watched him without answering Tell me he said walking over to lean against the desk only a couple feet from me What is it exactly you told people I did Notice This title includes themes and passages that have been adapted from Jessica Whitethread s Naughty Rumors with full consent of the original author
