mistakenly married Teagan Shields and Josh Parker also got married while drunk that night as did Aiken Pearson and Brent Crockett Now they all had to figure out how they wanted to handle the legalities of their situation while the GWA bookers reworked their angles to try to control the celebrity gossip Would any of them stay married Or would they get divorced Or have their marriages annulled And how did the fact that none of them had their legal residences listed in the same state as their spouses or the state where they got married factor into their options Taking the time to meet with attorneys and determine the requirements for each of their situations was difficult with them traveling with the GWA Especially when their coworkers conspired to keep them together by pairing the three couples in the bridal party for Dean and Allissa s wedding so they couldn t go home for their Thanksgiving break
