Spiral of Need Suzanne Wright,2015 Ally Marshall is a wolf shifter and a Seer But a girl doesn't exactly need special powers to know that Derren Hudson despises her entire kind But in this case his disdain is mixed with a healthy dose of desire And no matter how much the ruggedly handsome male appeals to her this is one call of the wild she's determined to ignore When Derren is forced into acting as her protector he finds himself intensely and passionately drawn to the woman who incites his primal instinct to claim And when enemies target the pack Ally's gift may be just what the Mercury Pack needs

Force of Temptation Suzanne Wright,2016-12-13 Harley Vincent is resigned to life in the human world Sure being a margay shifter is half her nature but life among humans gives her the freedom to roam and do as she pleases That is until anti shifter extremists target her putting her life in immediate danger When an old acquaintance and onetime fling Jesse Dalton shows up to offer the protection of his pack Harley hesitates She may have feelings for Jesse that go beyond their one night stand but life among shifters means giving over her independence to the needs of pack Plus Mercury Pack has its own threat to face a rich half shifter is determined to claim their territory at any cost Jesse who lost his true mate as a child has wanted Harley since their night together and he's not letting her go again They may not be destined for each other but he knows she belongs to him and with his pack Even if he can convince her to join him now can he convince her to stay
