Spanked And Taken By The Boss BdsM Spanking Submissive:

Trying Too Hard to Catch My Boss's Eye: Shy and Spanked Jessica Whitethread,2014-05-17 Reader Advisory This story is for mature audiences only and features intensely erotic situations spanking submission and dominance All characters are 18 or older She has been yearning for his attention but she didn't expect this Melanie has never been outgoing around her coworkers but it isn't until a new boss arrives to run the branch that she begins to regret her isolation in the work place For weeks she silently hungers for his attention until she is called in for a performance review Once the two are alone together it isn't long before all sorts of things are coming out into the open Not least among these revelations Philip Reese has been painfully aware of her desire for his attention and he intends to punish her for the inappropriate means she has employed to distract him from his professional duties When he had come to run the branch everything that I had felt excluded from and deprived of seemed to become a thousand times more important It almost didn't matter that he was young brilliant and handsome It was more in the way he commanded a room It was the way everyone perked up when he was around and wanted to do their best for him He made everyone feel like they were a part of something working towards a goal that mattered And yet the more of a community the office became the more excluded I felt Once outside I had never figured out how to get back in no matter how desperately I wanted to Mr Reese I said through the cracked door Melanie come in please I pushed the door open wider slipped inside and turned self consciously to close it with my back to his desk It was only after I was seated and my short dress was smoothed and I had taken several quiet controlled breaths that I found the courage to turn my eyes upward and look at him His gaze met mine and my stomach clenched a bit tighter What was a man so handsome doing working here I had only seen him on a handful of occasions since he had taken the job and I still marveled at his perfect masculine features his warm confident face and the smoothness and competence of his movements His expression always seemed to rest in the realm of friendly optimism as though the thought that something could go wrong had never crossed his mind It seemed like bad news would be completely alien and repugnant to him a damning reflection on whoever delivered it to him More than anything he was a man I couldn't bear the thought of disappointing and here I was in all likelihood about to disappoint him And yet in spite of myself and my dread at what was coming I found a shy smile coming to my lips as our eyes met The contact lingered for a moment and then before I could stop myself I had dropped my gaze to the desk and lost the courage to look up again He held a folder negligently in a hand and he had been perusing it as I walked in I appreciate you taking a moment to meet with me Melanie I've been doing this with all the reps I have working under me now It's just a little get to know you review your recent performance He smiled encouragingly Nothing to be worried about Happy to make myself available to you sir I said blushing slightly

explains a few things he said Maybe I should not be so surprised Maybe it s my fault that I did not see it before I dared a shy glance up at him to see how mad he looked To my relief his expression was thoughtful rather than the anger or betrayal I had dreaded seeing there Well clearly Emma the arrangement we have been operating under cannot continue can it You ve given me a lot to think about Nervously I straightened my skirt again If only he would say something definite something to indicate how he felt about this I could not deny that a small part of me wanted him to be glad or maybe even a little intrigued But that was just a childish fantasy too much to hope for I think it would be best if you took the afternoon off he said after a moment But it s clear we need to talk about this when there isn t work to be done Come by my apartment would you after I ve locked up for the night I bobbed and nodded Yes s I shook my head as though to clear it and began to move towards the door And Emma he said Yes You haven t lost any more orders you might want to tell me about have you I shook my head even my ears burning at this final jab and left the room
