Migration Policy Ibrahim Sirkeci, Barbara Pusch, 2016-06-04 **TURKISH MIGRATION POLICY** edited by Ibrahim Sirkeci and Barbara Pusch aims to shed light on changes in migration policy determinants beneath these changes and practical implications for movers and non movers in Turkey Nevertheless one should note that Turkey has only recently faced mass immigration and the number of foreign born has more than doubled in less than five years Such sudden change in population composition warrants policy adjustments and reviews Policy shift from exporting excess labour in the 1960s and 1970s to immigrant integration today is a drastic but necessary one Nevertheless Turkish migration policy is still far from settled as several chapters in this book point out Despite the exemplary humanitarian engagement in admitting Syrians Turkey is still at the bottom of the league table of favourable integration policies with an overall score of 25 out of 100 Turkish migration policy is likely to be adjusted further in response to the continuing immigration **Marriage Migration and Integration**

The Politics of Women and Migration in the Global South David Tittensor, Fethi Mansouri, 2017-03-09 This book shines a light on the issues of governance rights and the injustices that are meted out to an ever growing and vulnerable sector of the global migrant community women Whilst much of the current literature continues to focus on the issues of remittances and brain drain there has been very little that examines concerns regarding governance and rights for female workers This is especially true of the case of women who are particularly vulnerable and have been subject to sexual abuse Such an omission is pressing given the fact that as of 2009 only 42 countries have signed the International Convention on the Protection of the Rights of Migrants and Members of their Families The authors thus demonstrate that migrants moving within the Global
