

Grade 2 Paragraph Writing

The image displays three overlapping worksheet templates for paragraph writing, each with a 'Name:' and 'Date:' field at the top.

- Paragraph Structure:** This worksheet includes a diagram of a burger where the bun represents the topic sentence and the toppings represent details. It explains that paragraphs usually have at least two or three details that support the main idea. A box defines details as information that supports the topic sentence. Below, there is a prompt to complete a topic sentence about being older and a section to write three supporting details.
- Arranging Text:** This worksheet instructs students to read sentences, cut them out, and decide the correct order to make a complete paragraph. It includes a large box for writing the final paragraph.
- Paragraph Organizer:** This worksheet provides a structured format for writing a paragraph. It includes lines for the topic sentence, three lines for details (labeled 'Detail #1', 'Detail #2', and 'Detail #3'), and a line for the concluding sentence.

A cartoon illustration of a burger is positioned in the bottom right corner of the worksheet area.
