Initially they did not compare well although very fast they lacked sophistication and their quirky styling was offputting and the decision was made to suspend production. This was not the most auspicious start but a fightback was initiated and in 1971 the factory race team had a triumphant year including placing 1st, 2nd and 3rd at the Daytona 200. With over 250 photographs the full rollercoaster ride history of these bikes is described including how the bikes came to be including a timeline of significant events a year by year account of the evolution of the bikes through the T150, T160 and Rocket 3, the story of the Hurricane, the full racing history and finally the Triumph 3 cylinder bikes today.
