in which they begin to grasp them and their ultimate importance This little book is my attempt to help fellow parents and teachers guide kids through these glorious truths The guide book is designed for kids 8 years old and up and should be read through with a parent or teacher It is broken down into four parts with some review questions to discuss after each part Depending on your child you may want to go through just one part at a time in order to discuss and digest it May God guide and bless you as you pass the Trinity on to the next generation Subject Guide to Children's Books in Print 1997 Bowker Editorial Staff,R R Bowker Publishing,1996-09 **Expelling Hope** Christopher G.
