Tripping Over Tv Guide:

TV Guide, 2006 **TV Guide** Stephen F. Hofer, 2006 This book looks at the origins and growth of television through the pages of TV Guide and covers the complete run of this American icon from the first guides in 1953 to the last issue in guide format on October 9 2005 It includes full color reproductions of every cover ever printed and is both a collector's guide with pricing included and a retrospective view of the medium *TV Guide: TV on DVD 2006* TV Guide, 2005-10 From the foremost authority on TV viewing comes a complete guide to television shows on DVD Rhino's Psychedelic Trip Alan Bisbort, Parke Puterbaugh, 2000-10 Readers are invited to take a time trip through the mind blowing era of psychedelics with this illustrated narrative peppered with personal recollections about rock music and radical culture Includes rare photos of players album covers and record labels 200 photos some in color *Massiah's Trip* Robert A. Gorman II, 2018-03-06 Massiah's Trip is centered around a group of friends reunited after high school many years later After driving through a horrendous thunderstorm for hours Billy has injured the palms of his hands from the white knuckle driving he was doing Because of the violent lightning flickering across the sky a focused Billy has not realized that his fingernails were digging into at the palms of his hands causing them to bleed Hours later he finally makes it home to Clearwater Beach Billy and Chaz meet up with Dick at his house for a welcome home party However after the party on the way home Billy and Chaz are mixed up in a fatal accident Billy also meet the girl of his dreams A beautiful girl named Jade who is quite mysterious herself Following that tragic event more mysterious murders and tragic deaths seem to happen around Billy and his car Billy feels he is going out of his mind because he has a conversation with a ghost or does he Massiah's Trip also includes skydiving and a famous bridge with a dark past that could hold the key to Billy's salvation When Billy finds out the haunting secret of his 76 AMC Gremlin he races around the clock to come up with a plan to stop all of the carnage and madness that Massiah is wielding So with one last epic party Billy Chaz and Dick get ready for the ride of their lives They have one chance to beat the evil force because if they fail they're dead Massiah's Trip takes place in Pinellas County and highlights places in Largo and Clearwater Beach Also it includes the Sunshine Skyway Bridge with its tragic story that claimed the lives of many unsuspecting people that foggy morning So get ready to enjoy a clever little story of killer comedy suspense and romance as Massiah's Trip takes you on a ride through a highway of hell *Low Risk, High Reward* Bob Reiss, 2001-02-21 Contrary to popular belief most entrepreneurs don't like risk While they are not afraid to take chances the most successful entrepreneurs do what they can to anticipate minimize and offset risk at every opportunity insists Bob Reiss who in his own flourishing entrepreneurial career has managed to turn risk reduction into a science Now this successful self starter whose exploits have been featured in The Wall Street Journal and have become case studies for Harvard Business School classes shares the lessons of a lifetime By following his own prescription for managing risk and using real life success stories from experienced entrepreneurs Reiss covers every obstacle the entrepreneur is likely to encounter Where do ideas come from and how do you get started Where

can you find money and expert advice How do you hire the best people and build credibility How do you get orders and reorders How do you develop and introduce successful products Should you go public Through every step in the process Reiss emphasizes how risk can be anticipated managed and significantly reduced Full of practical suggestions and insights this easy to read book is an indispensable guide for anyone thinking about starting a business and particularly for those would be entrepreneurs without experience or much capital It is equally valuable to entrepreneurs looking for ways to make their businesses more successful

Cursed Curiosities Barbwire Butterfly Books,2014-07-23 Buyer Beware If you ve recently approached a strange emporium of oddities or antiquities I hope you ve taken a few things into consideration What urge brought you there Were you drawn to a particular item on display Did it call out to you Though everything inside was for sale did you consider how much you were willing to spend Perhaps you proffered the listed price or perhaps you haggled the price down a bit But did you consider the imperceptible fine print You may just find you ve paid a great deal more than what your parcel is worth The following twenty seven works chronicle such transactions When you purchase this anthology be sure you re only paying the listed price to a reputable dealer Otherwise I cannot be responsible for the consequences

Food and Cooking on Early Television in Europe

Ana Tominc, 2022-02-14 This collection critically examines the role of food programming on European early television and the impact this might have had on food habits and identities for the European audiences. It foregrounds various food programme genres from travelog cooking show and TV cooking competition to more artistic forms. For the first time it examines in one place eight European countries from Portugal to Czechoslovakia and Britain to France and Yugoslavia to explore ways in which television contributed to culinary change demonstrating differences and similarities in which early food programme in Europe shaped and promoted progress, modernity, gender and national identities in both Eastern and Western Europe. Featuring a number of archival images that illustrate early food programme visually, this collection complements other research into postwar food history, adding a perspective of visual medium that is often neglected. As such it should be interesting for food and media historians as well as those interested in European postwar history and culture.

Supernatural Erin Giannini, 2021-11-30 A captivating exploration of the television phenomenon that is Supernatural with insights into characters, plots and the show's impact on pop culture. When Supernatural first aired on the CW in 2005 it was dismissed by many for being pretty guys fighting demons. Yet Supernatural persisted for 15 seasons to become the anchor of the network's line up and the longest running genre series in US television history. In Supernatural: A History of Television's Unearthly Road Trip Erin Giannini delves into the phenomenon of this cult series and its devoted fan base. Covering all 15 seasons including the series finale that aired in 2020, this book examines the show's predecessors, characters, major storylines and fan activism. It also revisits creator Eric Kripke's road to creating the series, draws surprising and revealing connections between the show and other series and discusses the ways Supernatural responded to social and industry changes throughout its long run. Supernatural was the little show that could for 15 years, persisting beyond its original network's lifespan and surviving the departure of its creator and showrunner in no small part due to its loyal fans. Inspired by shows such as Buffy the Vampire Slayer and going on to influence many shows that followed, Supernatural offers insight into how a series can adapt and grow to become a mainstay of primetime television.
