The Mother's Manual Audrye S. Arbe, 2019-08-05. Who am I and where do I come to write this book? I feel it necessary to address all aspects of motherhood so I decided to include both the sweetness and delight plus the shadow side of motherhood in this book. Some challenging life situations occur that are vital for us to consider so I am including some disquieting statistics. Because many women and men have refrained from checking within themselves or making an examination on emotional, mental, physical, and spiritual planes about having children, hardships have been created both personally and planetary. **Vegetarian Times**, 1984-07.
