Soul Winning Volume Two Evangelism Book 8:

Soul-Winning (Volume Two) Zacharias Tanee Fomum, 2016-06-10 Is the eternal destiny of those for whom Christ died the prior thoughts of your life The one and only reason why the Lord Jesus did not take you to heaven the day you believed was that you should stay here on earth win the lost to Him and make disciples of all nations Soul Winning Volume two will set you thinking of the souls of men how they will fare on Judgment Day and what you must do to rescue the largest number in the shortest possible time from going to hell This is one of the three burdens that the author Professor Z T Fomum carried permanently on his heart alongside those of prayer and the training of spiritual leaders This book is a powerful motivator to get you started in an endless season of evangelism *The Sin Before You May Lead to Immediate Death: Do Not Commit it!*

Zacharias Tanee Fomum, 2016-06-12 This is one of the most serious books the author has written To sin willfully is to crucify anew the Son of God Do you want to be responsible for such a thing If you do such a thing it may be impossible for you to be brought back to repentance You should be wise and turn away completely from the sin before you If you commit it it could be the end of your life These are heavy words indeed We quote these words from Z T Fomum the author praying that they should have the intended effect on you It is a scary thing for anyone to know that an act may be final and fatal but still commit it willfully For anyone to know that a sin could lead him to death and still commit it that person is idiotic or suicidal This book can help you reconsider the gravity of sin in order to make progress in the path of sanctification that Christ by His death on the cross acquired for you We highly recommend this book *A Vessel of Honour* Zacharias Tanee

Fomum, 2016-11-30 *A Vessel of Honour* is a heart to heart exposure from the Scriptures of spiritual shallowness and dryness and their catastrophic consequences in the life and ministry of a child of God There are some trees whose roots grow or are on the surface instead of burrowing down Such roots are shallow they lack depth It is understandable if a young convert is shallow but if after many years a Christian has no deep spiritual roots then there is a problem In what are you deep Are you Deep in forgiving people and forgetting wrongdoing Deep in seeking finding and knowing God Deep in loving and being content in God Deep in bearing fruits in leading people to the Lord Deep in building the people who are in the Lord Deep in Christian character The author Z T Fomum brings out clearly the differences between a shallow and a normal Christian He pinpoints the root cause of shallowness and spiritual dryness and provides the way out You will learn what spiritual roots are and how to intentionally develop them Now a person may not be dry He may be cut off from God That is what sin does It may look as if it is dryness but it is godlessness spiritual death On this the author makes plain with practical advice the absolute necessity for believers in Christ Jesus to live a sanctified and consecrated life Get a copy and read it through It will lead you into deep heart cultivation unto godliness and Christian service from a position of spiritual overflow **Separation from**

the Common Zacharias Tanee Fomum, In *Separation from the Common* author Zacharias Tanee Fomum shares his personal journey of obedience to God's call to live a life of separation from the ordinary Fomum's journey began with small steps of

obedience like giving away his suits when God asked him to but it soon became a radical commitment to living a life different from what obtains in the world around him Using biblical examples and others from Church history Fomum makes the case that all who are called by God to specific tasks are called away from the ordinary life and to uncommon lifestyle He argues that success and distinction come at a great price and that responsibility curtails a person s freedom Fomum s book challenges readers to consider whether they are willing to pay the price for success and follow the narrow way that Jesus walked Through his own story and reflections on the Scripture Fomum offers encouragement to those who are willing to heed God s call to a life of separation from the common He reminds readers that they can hear God s voice and that He will be their guide and helper on the path to success in Him Separation from the Common is a challenging and inspiring call to a radical commitment to Christ and a life that stands out from the crowd

prayer and holiness Zacharias Tanee Fomum, The holiness of God demands that anything that Jesus would not have prayed about is not prayed The question then arises how does a child of God know for sure what to ask for in prayer that will receive divine probation Secondly who is qualified to pray The author Professor Z T Fomum goes into great depth to provide not only a succinct answer to these questions but also outlining the basic prerequisites to prayer He states that Prayer and Holiness are two sides of the same coin Prayer is holy business with a Holy God In prayer one touches the holiness of God and the God of holiness Praying with sin in one s life is self destruction and far worse than prayerlessness Prayer and Holiness is an outstanding down to earth university level course on prayer In it the author brings to light the difference between obeying God and pleasing God with regards to prayer highlighting what goes into pleasing God As you pick up this book be prepared for deep transformations and a rerouting in what you have practiced as prayer thus far Welcome to the sphere of practical spiritual warfare with guaranteed answers to all your prayers

Basic Christian Leadership Zacharias Tanee Fomum,2015-04-16 Basic Christian Leadership by Z T Fomum offers a fresh perspective on what it truly means to be a leader in the eyes of God Fomum debunks the myth that leadership is merely a matter of appointment or title and instead shows that true leadership is achieved and maintained before God reflected in every aspect of our lives The author explores key principles of leadership including the call to preach the gospel the foundation of salvation in Jesus Christ self denial and humility pastoral ministry and much more With practical advice and real life examples Fomum provides a roadmap for developing the qualities necessary for effective leadership Whether you are looking to become a better leader develop competent leaders in your community or simply deepen your understanding of spiritual leadership Basic Christian Leadership has everything you need This book is a must read for anyone seeking to grow in their leadership abilities as well as find solutions to their own leadership issues

Victorious Dispositions Zacharias Tanee Fomum,2015-06-27 In this book Z T Fomum shows us the skills and mindset to develop to ensure our success and plunge into God s purposes So the first secret in knowing and serving God is hard work Life in a way is a game It is a matter of choice and everyone is called upon to make choices Being a failure or a success may depend on

your choices Your heart will determine your greatness or your defeat Throughout his argument the author describes a whole set of measures and means to achieve this goal This book is a must for you *Knowing God And Walking With Him*

Zacharias Tanee Fomum,2017-02-22 The central thesis of this book is that the most urgent thing in our generation is the emergence in the Church of men and women who know God and serve Him from this knowledge The author Z T Fomum boldly argues that anything a man can do for God is of no consequence if it is not done as an overflow of his knowledge of God An initial encounter is important but beyond that it takes spiritual knowledge a high frequency intensity and a long duration of encounters between a man and his God This book is a pertinent plea that no one should serve God without knowing Him It s highly recommended *Jesus Loves You and Wants to Heal You* Zacharias Tanee Fomum,2016-06-17 This

book is for you The Lord Jesus loves you and wants to heal you God wants you to be healed and to remain in perfect health Your diseases are the works of Satan This book is not written to attack the modern practice of medicine We thank God for modern medicine and all that it is doing to relieve pain However without the touch of God medicine cannot heal God is the Healer Jesus is the Healer He can work through modern medicine and He can work without medicine He is not limited He is God You can turn to Him and be healed of your disease and when doctors tell you that your case is hopeless God remains your hope Turn to Him and receive your miracle from Him You may want me to stand with you in prayer and fasting for your healing I will gladly do so Please read this book and act on its message When you have received your healing write and share it with me so that together we may praise the Lord who has healed you God bless you abundantly *Giving to God*

were to learn from Him intimately absorbing His life before venturing out to preach that life The book Relationship and Intimacy with God originated from a sermon delivered by the author Professor Z T Fomum to the saints in Yaound At its core the message revolves around relationships It not only underscores the significance of our relationship with God exploring how and why it s nurtured and preserved but the author also imparts a personal narrative concerning human relationships He touches briefly on the need to bridge physical distance in building human relationships We trust the Lord that through this book your perspective on the Christian life will undergo a profound positive shift You ll realize that God isn t seeking your deeds rather His enduring heartfelt desire is to have a personal connection with none other than you yes you As you glean through the pages may you desire and kickstart a profound unbreakable and enduring relationship with the Lord Jesus a connection that is deep enriching and transformative
