Cooking in Other Women's Kitchens, Enhanced Ebook Rebecca Sharpless, 2013-02-01 As African American women left the plantation economy behind many entered domestic service in southern cities and towns Cooking was one of the primary jobs they performed feeding generations of white families and in the process profoundly shaping southern foodways and culture In *Cooking in Other Women's Kitchens* Domestic Workers in the South 1865-1960 Rebecca Sharpless argues that in the face of discrimination long workdays and low wages African American cooks worked to assert measures of control over their own lives As employment opportunities expanded in the twentieth century most African American women chose to leave cooking for more lucrative and less oppressive manufacturing clerical or professional positions Through letters autobiography and oral history Sharpless evokes African American women s voices from slavery to the open economy examining their lives at work and at home The enhanced electronic version of the book includes twenty letters photographs first person narratives and other documents each embedded in the text where it will be most meaningful Featuring nearly 100 pages of new material the enhanced e book offers readers an intimate view into the lives of domestic workers while also illuminating the journey a historian takes in uncovering these stories

The Southern Planter, 1938 **Southern Provisions** David S. Shields, 2015-03-23 A look into the agricultural and culinary history of the American South and the challenges of its reclaiming farming and cooking traditions Southern food is America s quintessential cuisine From creamy grits to simmering pots of beans and greens we think we know how these classic foods should taste Yet the southern food we eat today tastes almost nothing like the dishes our ancestors enjoyed because the varied crops and livestock that originally defined this cuisine have largely disappeared Now a growing movement of chefs and farmers is seeking to change that by recovering the rich flavor and diversity of southern food At the center of that movement is historian David S Shields who has spent over a decade researching early American agricultural and cooking practices In *Southern Provisions* he reveals how the true ingredients of southern cooking have been all but forgotten and how the lessons of its current restoration and recultivation can be applied to other regional foodways Shields s turf is the southern Lowcountry from the peanut patches of Wilmington North Carolina to the sugarcane fields of the Georgia Sea Islands and the citrus groves of Amelia Island Florida He takes us on a historical excursion to this

region drawing connections among plants farms growers seed brokers vendors cooks and consumers over time Shields begins by looking at how professional chefs during the nineteenth century set standards of taste that elevated southern cooking to the level of cuisine He then turns to the role of food markets in creating demand for ingredients and enabling conversation between producers and preparers Next his focus shifts to the field showing how the key ingredients rice sugarcane sorghum benne cottonseed peanuts and citrus emerged and went on to play a significant role in commerce and consumption Shields concludes with a look at the challenges of reclaiming both farming and cooking traditions From Carolina Gold rice to white flint corn the ingredients of authentic southern cooking are returning to fields and dinner plates and with Shields as our guide we can satisfy our hunger both for the most flavorful regional dishes and their history Praise for *Southern Provisions* People are always asking me what the most important book written about southern food is You are holding it in your hands Sean Brock executive chef *Husk* An impassioned history of the relationship between professional cooking markets and planting in the American South which argues that true regionality is to be found not in dishes but in ingredients *Times Literary Supplement* **Southern Arizona Nature Almanac** Roseann Beggy Hanson, Jonathan Hanson, 2015-11-01 Southern Arizona is a not only a world class travel destination it s also a region with so many natural attractions that even its residents never run out of places to explore The Southern Arizona Nature Almanac reveals the incredible diversity of the desert Southwest by highlighting its most compelling features and natural phenomena for each month of the year blooming plants wildlife activity places to visit weather and prominent constellations From migratory birds to snakes to insects the almanac will show you what to expect in the sky or under your feet no matter what season you venture out In addition to original illustrations by Jonathan Hanson the guide includes photos and weather charts Handy appendixes include lists of birds mammals reptiles butterflies and a desert plants blooming calendar Accessible to the fledgling naturalist and detailed enough for the natural scientist the Southern Arizona Nature Almanac is a definitive resource guide to the natural wonders of this fascinating land The Soil of the South ,1853 *Southern Living Annual Recipes*, 1980 Southern Living,1981 Every single recipe month by month plus indexes charts and tips color photographs menus and more Cover **Progressive Farmer** ,1980 From a Southern Oven Jean Anderson,2013-02-21 A collection of oven dishes both sweet and savory from a Southerner whose passion for them shows no sign of cooling No one knows Southern cooking quite like Jean Anderson A long time food editor and the author of such books as *A Love Affair with Southern Cooking* and *Falling Off the Bone* her encyclopedic knowledge of Southern food makes her the perfect author for this delicious down home collection If it s baked and it s from the South you ll find it here *From a Southern Oven* includes more than 150 recipes both savory and sweet classic and contemporary You ll find appetizers and snacks main dishes sides breads and desserts that showcase such beloved Southern staples as pork and rice sweet potatoes and Vidalia onions butter beans and blackberries and peaches *From Oven* Barbecued Chicken to Shrimp and Artichoke Hearts au Gratin to Blueberry
