Becoming an Ally, 4th Edition Anne Bishop, 2025-10-21T00:00:00Z When the bestselling first edition of *Becoming an Ally* was published in 1994 the language of ally was new Three decades later it is everywhere used misused embraced rejected and interpreted in many different ways This groundbreaking book has been used across the world by individuals and institutions to identify how privilege works and how to transform their roles in perpetuating inequality In this new edition educator Anne Bishop has updated her accessible guide on what structural oppression is and how people can work together toward equity Bishop explores oppression's impact on individuals organizations and cultures Within that larger framework she digs through decades of claims and conflicts to examine the crucial role of allies on the path toward justice This book is for social workers teachers medical professionals policy makers and anyone who wants to understand the origins of oppressive societies in order to build more just alternatives

Traditions & Encounters Jerry H. Bentley, Herbert F. Ziegler, 2006 On the basis of a superficial inspection *Traditions Encounters* might look similar to several other textbooks that survey the world's past Like other books for example *Traditions Encounters* examines the historical development of societies in Asia Europe Africa the Americas and Oceania Yet *Traditions Encounters* differs from other works in two particularly important ways First it relies on a pair of prominent themes to bring a global perspective to the study of world history it traces the historical development of individual societies in all world regions and it also focuses attention systematically on interactions between peoples of different societies Second it organizes the human past into seven eras that represent distinct and coherent periods of global historical development Preface Page xvi

Traditional Ritual as Christian Worship Burrows, William R., Shaw, R. Daniel, 2018-03-27 A necessary task of missionaries in recent decades has been to help local Christians inculturate or contextualize their faith although the criteria for doing so often came from outside the context in which new believers developed their understanding of Christianity Highlighting the voices of non Western scholars this work recognizes the importance of ritual and ceremony in the life of communities that seek to worship God in ways that reflect culturally appropriate responses to Scripture The contributors some of missiology s leading lights discuss rituals beliefs and practices of diverse peoples supporting the conclusion that orthodox Christianity is hybrid Christianity
