Instructions: Use this template when your workshop has been created and you are preparing for the facilitation of the session - either for yourself or someone else. Make notes for the facilitation practices, and as necessary, provide prompts for other facilitators. If you plan on facilitating the workshop, it is still helpful to create this guide for yourself, or to help with knowledge transfer should someone else need to facilitate in your place.

This outline is to be used as a guideline for delivering the workshop. Facilitators are encouraged to add relevant personal examples and anecdotes into their own copy of a facilitator guide that help to illustrate and elaborate on content points.
