What Chris Wants (Mills & Boon Short Stories) Lori Foster, 2013-02-01 New York Times bestselling author Lori Foster captivated readers with her stories of love justice and danger in the Men Who Walk the Edge of Honor series Now fan favorite Chris Chapey gets his own story

Getting What You Want? Bob Brecher, 2012-10-12 Getting What You Want is the first book which calls for the collapse of liberal morality Bob Brecher claims that it is wrong to think that morality is simply rooted in what people want He explains that in our consumerist society we make the assumption that getting what people want is our natural goal and that this natural goal is a necessarily good one We see that whether it is a matter of pornography or getting married if people want it then that s that But is this really a good thing Getting What You Want offers a critique of liberal morality and an analysis of its understanding of the individual as a wanting thing Brecher boldly argues that the Anglo American liberalism cannot give an adequate account of moral reasoning and action nor any justification of moral principles or demands Ultimately Brecher shows us that the whole idea of liberal morality is not only incoherent but unattainable

Getting what You Want? Robert Brecher, 1997 Getting What You Want offers a critique of liberal morality and an analysis of its understanding of the individual as a wanting thing
