Only usable during main gameplay. There are two things to remember for Kinect shouts.

First, you need to have the shout unlocked to the level that you want to use before the Kinect will allow you to do it, i.e., if you haven't unlocked Fire Breath, saying the shout in English or Dragon Language will do nothing.

Second, you can say the Shout in English or Dragon Language.

1. **English Language.** Available without holding . You can say the name of the shout, e.g. **UNRELENTING FORCE**, which will trigger the highest known level of the shout.

2. **Dragon language.** Only available when holding . You can say one, two, or three words in the dragon language of the shout which will trigger the corresponding level of shout.
