Mindfulness in Good Lives Mike W. Martin,2019-10-23 Mindfulness is celebrated everywhere especially in health psychology and spiritual practices but also in the arts business education environmentalism sports and the use of digital devices While the current mindfulness movement may be in part the latest fad in a narcissistic and therapeutic culture it is also worthy of greater philosophical attention As a study in ethics and moral psychology Mindfulness in Good Lives remedies the neglect of this subject within philosophy Mike W Martin makes sense of the striking variety of concepts of mindfulness by connecting them to the core idea of value based mindfulness paying attention to what matters in light of relevant values When the values are sound mindfulness is a virtue that helps implement the kaleidoscope of values in good lives Health psychologists who currently dominate the study of mindfulness often present their research as value neutral science Yet they invariably presuppose moral values that should be made transparent These values which lie at the interface

of morality and mental health form bridges between philosophy and psychology and between literature and spirituality

a lasting legacy This is not a technical investing manual it s a window into the mind of a man who mastered the art of simplicity in a complex world Whether you re an entrepreneur investor or lifelong learner The Buffett Code will teach you how to apply his wisdom to your own journey toward success and freedom If you ve ever dreamed of understanding how the world s greatest investor truly thinks this is your guide Learn the lessons Decode the mindset Build your legacy The Joys of Compounding Gautam Baid,2020-06-02 Value investing is not just a system for success in the market It is also an intellectual toolkit for achieving a deeper understanding of the world In The Joys of Compounding the value investor Gautam Baid builds a holistic approach to value investing and philosophy from his wide ranging reading combining practical approaches self cultivation and business wisdom Distilling investment and life lessons into a comprehensive guide Baid integrates the strategies and wisdom of preeminent figures whose teachings have stood the test of time Drawing on the work of investing greats like Warren Buffett Charlie Munger and Ben Graham as well as philosophers and scholars he artfully interweaves the lessons learned from his many teachers Baid demonstrates their practical applications in the areas of business investing and decision making and also shows that these ideas can be applied to one s own life with just as much reward A celebration of the value investing discipline this book also recounts Baid s personal experiences testifying to his belief that the best investment you can make is an investment in yourself The Joys of Compounding offers curated reflections on life and learning for all investors investment enthusiasts and readers seeking a dose of practical wisdom This revised and updated edition highlights Baid s distinctive voice The Education of a Value Investor Guy Spier,2025-09-23 What happens when a young Wall Street investment banker spends a small fortune to have lunch with Warren Buffett He becomes a real value investor In this fascinating inside story Guy Spier details his career from Harvard MBA to hedge fund manager But the path was not so straightforward Spier reveals his transformation from a Gordon Gekko wannabe driven by greed to a sophisticated investor who enjoys success without selling his soul to the highest bidder Spier s journey is similar to the thousands that flock to Wall Street every year with their shiny new diplomas aiming to be King of Wall Street Yet what Guy realized just in the nick of time was that the King really lived 1 500 miles away in Omaha Nebraska Spier determinedly set out to create a new career in his own way Along the way he learned some powerful lessons which include why the right mentors and partners are critical to long term success on Wall Street why a topnotch education can sometimes get in the way of your success that real learning doesn t begin until you are on your own and how the best lessons from Warren Buffett have less to do with investing and more to do with being true to yourself Spier also reveals some of his own winning investment strategies detailing deals that were winners but also what he learned from deals that went south Part memoir part Wall Street advice and part how to Guy Spier takes readers on a ride through Wall Street but more importantly provides those that want to take a different path with the insight guidance and inspiration they need to carve out their own definition of success **Value Investing** Bruce C. Greenwald,Judd Kahn,Erin Bellissimo,Mark A. Cooper,Tano Santos,2020-10-23

Explore the modern extension of value investing in this essential text from the guru to Wall Street's gurus. The substantially rewritten Second Edition of *Value Investing From Graham to Buffett and Beyond* delivers an incisive and refined approach to investing grounded on almost 100 years of history beginning with Graham and Dodd. Founded on the value investing course taught for almost twenty-five years by co-author Bruce Greenwald at Columbia Business School, the book helps investors consistently land on the profitable side of the trade. Readers will learn how to search for underpriced securities, value them accurately, hone a research strategy, and apply it all in the context of a risk management practice that mitigates the chance of a permanent loss of capital. The new edition includes two innovative new chapters discussing the valuation of growth stocks, a perennial problem for investors in the Graham and Dodd tradition. New profiles of successful investors including Tom Russo, Paul Hilal, and Andrew Weiss. An extended discussion of risk management including modern best practices in an environment where it is often divorced from individual security selection. A substantive expansion of an already highly regarded book. *Value Investing From Graham to Buffett and Beyond* is the premier text discussing the application of timeless investing principles within a transformed economic environment. It is an essential resource for portfolio managers, retail and institutional investors, and anyone else with a professional or personal interest in securities valuation and investing. Successful value investing practitioners have graced both the course and this book with presentations describing what they really do when they are at work. Leading with Character - 2nd Edition
John J. Sosik, 2015-05-01. What kind of character strengths must leaders develop in themselves and others to create and sustain extraordinary organizational growth and performance? In this updated and expanded second edition, the author John J. Sosik answers this question by reviewing what is known about the connection between authentic transformational leadership and positive psychology. He summarizes a wealth of leadership knowledge in a unique collection of captivating stories about 25 famous leaders from business history and pop culture: Aung San Suu Kyi, John F. Kennedy, Maya Angelou, Bill Gates, Brian Wilson, Rosa Parks, Martin Luther King Jr., Joe Namath, Malala Yousafzai, Mother Teresa, Angelina Jolie, Pope Saint John Paul II, Shirley Chisholm, Sheryl Sandberg, Andy Griffith, Margaret Thatcher, Oprah Winfrey, Nelson Mandela, Warren Buffett, Carlos Ghosn, Eleanor Roosevelt, Herb Kelleher, Steve Jobs, Johnny Cash, and Fred Rogers. What do these leaders have in common? Each possesses virtues of wisdom, courage, humanity, justice, temperance, and transcendence, and their associated character strengths that form the foundation of their outstanding leadership. Besides generating astonishing results for their organizations, these leaders reaped numerous physical, mental, social, and spiritual benefits from their strong character. Their stories teach readers leadership principles that they too can apply to achieve sustainable growth and excellence. The author includes dozens of interesting examples, vivid anecdotes, and clear guidelines to offer readers an in-depth look at how character and virtue form the moral fiber of authentic transformational leadership. Individuals currently in leadership

positions as well as aspiring leaders will find the book's conversational style fascinating stories and practical guidelines both useful and inspiring

Elias—An Epic of the Ages Orson Ferguson Whitney, 2025-09-23 Orson F Whitney's *Elias An Epic of the Ages* stands as Mormonism's most ambitious literary achievement a sweeping poetic retelling of the plan of salvation and the Restoration First published in 1904 and refined in Whitney's 1914 edition the ten canto epic draws upon scripture history and inspired imagination to place the life and mission of Jesus Christ at the center of a cosmic narrative that spans premortality the Savior's mortal ministry the apostasy and the dispensation of the fulness of times In the tradition of Milton's *Paradise Lost* and Dante's *Divine Comedy* Whitney sought to give his faith a literary monument equal to its spiritual grandeur an epic in which doctrine history and prophecy meet in verse This new critical edition edited by Reid L Neilson presents the definitive text of Whitney's 1914 revision alongside rich historical context literary analysis and contemporary responses that situate *Elias* in the cultural and religious landscape of turn of the century Mormonism Both a devotional masterpiece and a literary artifact *Elias An Epic of the Ages* invites modern readers to encounter Whitney's soaring vision anew an epic poem that continues to inspire reflection on faith art and the Restoration's eternal themes

The Ordinary Leader

Randy Grieser, 2017-01-17 An ordinary leader is someone who leads a small organization or team that is doing great things They manage the majority of the world's workforce but they don't lead large corporations or big government agencies Ordinary leaders are rarely written about in books or quoted in magazines They are however important Maybe not globally but in their own realm of influence their leadership makes a difference The term ordinary is also used to highlight the belief that no one ever arrives as a leader In fact if someone thinks of themselves as extraordinary they will not be a very effective leader Author Randy Grieser presents 10 key insights for building and leading a thriving organization These are the

principles he identifies as instrumental to success as a leader Writing for leaders everywhere he inspires motivates and explains how to make each insight a reality in your organization Become a more passionate productive and visionary leader by exploring and embracing these 10 insights Motivation and Employee Engagement Organizations flourish when employees go beyond what is expected of them Passion A passionate inspired workforce begins with the leader Vision Visionary leaders energize and inspire people to work towards a future goal Self Awareness Knowing your strengths and weaknesses is vital for leading any organization Talent and Team Selection The right employees must first and foremost fit the workplace culture Organizational Health Employees are most engaged when leaders are committed to the emotional well being of everyone Productivity Focusing on how and what things get done increases efficiency Creativity and Innovation Building processes for innovation puts creativity to work Delegation As you free up your time you will also increase employee engagement Self Improvement Personal development makes all the other principles easier to achieve Also included are the perspectives of 10 ordinary leaders from a range of professions survey feedback from over 1 700 leaders and employees and a resource section that provides detailed guidance and examples for putting these ideas into action *A Stock Investment Book For The 99%* Boon Tiong Tan,2020-09-18 Is this the right time to buy What are the signs of a market top and bottom Should I buy a down beaten or a high flying stock Should I buy a low P E ratio or a high dividend stock Whether you re a complete novice or an experienced investor the answers to these and many other questions are found in this book It covers probably the widest range of topics of any investment book to help you to navigate the stock market Based on practical experiences tested theories and proven wisdoms it is also a reference book which you can repeatedly refer to and an action book with a game plan and even a free lunch Stock investing is simple but it s not easy You don t need to be a rocket scientist or work extremely hard all you need is common sense the right temperament spare money and spare time Your challenge is to choose the right companies and funds the fund managers and company employees will do all the hard work making you money so that you can plan your dream holidays and a blissful retirement *Rhetoric in Neoliberalism* Kim Hong Nguyen,2016-11-04 This volume examines and applies classical and contemporary concepts of rhetorical theory and criticism to the context of late capitalism Each contributor shows how discourse its subjects and power relations are irrevocably transformed by neoliberalism The collection analyzes a range of discourses and phenomena in neoliberalism including higher education reforms computational culture Occupy Wall Street protests the activism of Warren Buffett and the 9 11 Truth Movement Together these chapters explore the contemporary rhetorical production of homo economicus and the various ways in which neoliberalism has become a way of thinking orienting and organizing all aspects of life around economized metrics of individualized and individuated success This book will be of use to students and scholars crossing the fields of media and communication political science and sociology *Scott Adams and Philosophy* Daniel Yim,Galen Foresman,Robert Arp,2018-08-21 As cartoonist author public speaker blogger and periscoper Scott Adams has had best sellers in several

different fields his Dilbert cartoons his meditations on the philosophy of Dilbert his works on how to achieve success in business and all other areas of life his two remarkable books on religion and now his controversial work on political persuasion Adams's two most recent best sellers are *How to Fail at Almost Everything and Still Win Big* Kind of the Story of My Life 2014 and *Win Bigly: Persuasion in a World Where Facts Don't Matter* 2017 Adams predicted Donald Trump's election victory on August 13th 2016 and has explained then and more recently how Trump operates as a Master Persuader using weapons grade persuasive techniques to defeat his opponents and often to stay several moves ahead of them Adams has provocative ideas in many areas for example his outrageous claim that 30 percent of the population have absolutely no sense of humor and take their cue from conventional opinion in deciding whether something is a joke since they have no way of deciding this for themselves In *Scott Adams and Philosophy* an elite cadre of people who think for a living put Scott Adams's ideas under scrutiny Every aspect of Adams's fascinating and infuriating system of ideas is explained and tested Among the key topics Does humor inform us about reality Do religious extremists know something the rest of us don't What are facts and how can they not matter What happens when confirmation bias meets cognitive dissonance How can we tell whether President Trump is a genius or just dumb lucky Does the Dilbert philosophy discourage the struggle for better workplace conditions How sound is Adams's claim that systems thinking beats goal directed thinking Does Dilbert exhibit a Nietzschean or a Kierkegaardian sense of life Or is it Sisyphean in Camus's sense Can truth be over rated The political side that is out of power is the side that hallucinates the most If there's a serious chance we're living in a Matrix type simulation how should we change our behavior Are most public policy issues just too complex and technical for most people to have an opinion about In politics says Adams it's as if different people watch the same movie at the same time some thinking it's a romantic comedy and others thinking it's a horror picture How is that possible Does logic play any part in persuasion
