There are also sections dedicated to potty training multiple children at the same time. You will learn what to do if your child wets the bed at night and why so he or she does not backtrack in the training process. This will ensure that your son or daughter is part of the 90 percent of children who are free of wet spots by age 6. This book discusses other common potty training problems and ways to avoid these mishaps before you get started. You will even learn the best clothes your child should wear to keep messes at a minimum. Page 4 of cover.
