Soul Audrey Carlan, 2015 I was a dead woman I d finally had a glimpse of true love admiration and the kind of devotion only your soulmate your other half could provide until it was physically ripped away Taken My stalker had me and there was little hope I d be found I knew Chase would use all his money and resources to search the ends of the Earth for me but I knew the monster I was dealing with Years of looking into the eyes of pure evil gave me the unique experience to know that my situation was dire If Chase didn t find me soon I d be gone forever In the third and final novel in the erotic suspense Trinity Trilogy SOUL connects with the reader by providing the story through the eyes of Gillian Chase and the man that wants to own her soul but can t for she s already given it to another Everyone is on the hunt to save Gillian from the arms of a killer This book can be considered dark erotic and thrilling As in Body Trinity Trilogy Book 1 the issue of domestic violence plays heavily in the storyline and Gillian experiences many disturbing flashbacks of the past alongside tragedy the stalker brings to the present There is also a lot of love devotion and friendship As with all my books the characters will ultimately have their happily ever after Warning This book is designed for audiences 18 due to language graphic sexual content and themes that some may find disturbing SOUL is book 3 of a three part trilogy Body Trinity Trilogy Book 1 and Mind Trinity Trilogy Book 2 must be read prior to reading SOUL Gregory Palamas and the Making of Palamism in the Modern Age Norman

Rick M Smith, 2025-05-16 SELECTED FOR THE CHRISTLIT BOOK AWARD 2025 A covert indoctrination is underway in America promoting a belief system with radical shifts in values policies and preparing us for the transition into a developing new form of multinational globalization Many voices are often heard asking today What is this world coming to Many things are changing in radical ways at alarming rates Emerging from the power control of partisan ideologies in government major shifts are being instigated in our nation s socio economic program foreign domestic policy social justice and the moral ethical codes that have traditionally guided our ways of life Is it all just politics Is it just a friendly game of tug a war between the left and the right Or is it something deeper Something far more sinister even diabolical An ancient prophecy provides insightful answers to these challenging questions It reveals an undercurrent of demonic forces operating in the supernatural realms of darkness immersing our nation and world with beliefs practices that serve a shrewdly crafted evil mission In this second

volume of his trilogy Rick M Smith defines five basic doctrines driving these cultural shifts the doctrines of dominance deception deviation division and death He pulls back the curtains to show their presence and influence in every area of American life What progressive thinking leaders see as a bold new world of global cooperation is being sabotaged by sinister forces guiding these means to a diabolical end no nation would rationally choose Falling Series Anthology Audrey Carlan,2018-08-31 Expect the unexpected in Audrey Carlan s Falling Series Reader s beliefs in conventional romance are tested when love proves anything really can happen From a billionaireess falling for a cowboy to a stripper falling for a New York City attorney this series is simply about star crossed lovers falling for each other under unusual circumstances The three book set follows Aspen Reynolds and Hank Jensen in Angel Falling London Kelley and Collier Stone in London Falling and Camille Johnston and Nathaniel Walker in Justice Falling All three books share the expect the unexpected theme but can also be read individually *Rosicrucianism Renewed* Rudolf Steiner,2006-03 After Rudolf Steiner had left us in the body the gifts of the spirit that were offered by him in such overflowing measure could not continue It must now happen that a community of human beings takes over the results of his spiritual research takes them in such a way that they remain alive in the community People must come together in anthroposophic work united in such a way that Anthroposophy comes into its own Carl Unger Oct 29 1928 This volume provides perhaps the most comprehensive and profound exegesis of Rudolf Steiner s Anthroposophy especially his book titled Anthroposophical Leading Thoughts That book provides Steiner s final and most complete explanation of his Spiritual Science through brief aphoristic thoughts or meditations on the profound esoteric meaning of the modern spiritual path he called Anthroposophy In The Language of the Consciousness Soul Carl Unger unfolds and expands Rudolf Steiner s leading thoughts in 78 brief meditative chapters to help the reader comprehend the deeper meaning behind the Leading Thoughts Unger helps us see how Steiner created a mandala like image of Anthroposophy revealing an ever expanding cosmology and epistemology that goes far beyond mere philosophy or a belief system to a practical path of spiritual investigation and knowledge for modern humankind Rudolf Steiner had this to say about Carl Unger Dr Carl Unger for many years past has always been the most industrious and devoted collaborator in the anthroposophic movement At an early date Dr Unger saw that Anthroposophy before all needs a strong foundation of the theory of knowledge With a deep understanding he took up what I myself many years ago was able to give in my books Goethe s Theory of Knowledge Truth and Knowledge and Intuitive Thinking as a Spiritual Path A Philosophy of Freedom he developed independently what I had intimated Supported by mental discernment his goal was to see through the nature of the human process of knowledge in a clear analysis and from that to form its true picture Dr Unger is not dialectical but an observer of empirical facts This is why through the years he has been able to give results of the highest value showing how the process of knowledge in ordinary consciousness produces always and everywhere out of itself the impulses to anthroposophic investigation Moreover Dr Unger s method of thinking trained through technical problems is free from

subjective vagueness and thus his scientific collaboration in Anthroposophy is the most important that we can have The Language of the Consciousness Soul is an indispensable guidebook for group study and for individuals who wish to penetrate the depths of Anthroposophy and apply its principles both inwardly and to daily life This volume is an edited translation by Effie Grace Wilson of *Aus der Sprache der Bewusstseinsseele Unter Zugrundelegung der Leitsätze Rudolf Steiners*
