The Caring Child Christine Fonseca, 2021-09-03 We live in a self-centered world despite the call from employers and thought leaders for more cooperation and compassion. Empathy, or the ability to understand other people's thoughts and emotions from their point of view, is a vital component of cooperation and necessary in our increasingly diverse world. The Caring Child: Raising Empathetic and Emotionally Intelligent Children pulls together the latest research from positive psychology to provide parents specific tools to help their children develop healthy empathy and emotional intelligence. Presented in an easy-to-read conversational style, the book uses a combination of evidence-based strategies, real-world examples and role-playing scenarios to provide parents with the tools needed to develop these important skills. With specific strategies to address diverse populations and LGBTQ youth, The Caring Child is the must-read resource for anyone dedicated to cultivating a more compassionate world.

Behaviour Barriers and Beyond Rachel Thynne, 2021-11-29 This practical resource helps school staff to reframe behaviour as a means of communicating a need, ensuring they can sensitively and effectively support children with a range of Social, Emotional and Mental Health (SEMH) needs and Special Educational Needs and Disabilities (SEND). With case studies and examples woven throughout, the book focuses on relational and strength-based approaches to improve mental health and wellbeing, self-esteem, sense of safety and, in turn, behaviour and educational outcomes. All advice is carefully designed to have the maximum positive impact on the child and minimum impact on teacher time and resources. Key features include accessible explorations of a range of difficulties and their effects on school life; a variety of supportive strategies, tips and advice designed to be easy to implement effectively within a busy classroom; a focus on building and maintaining positive relationships, making the classroom a safe learning environment. Small adjustments can make a huge difference to wellbeing, whether they are for those with a diagnosis with SEND, with SEMH needs, with anxiety or just those having a hard time. This book will be an essential tool for teachers, SENCOs and school leaders in both mainstream and specialist settings.
