Wordwise Chapter 39:

All My Hope III Loren L. Johnson, 2024-04-24 This book is about 2nd chances a do over about a man and woman who lived through a tragic event The woman move away and the man went to jail and prison for 9 years and 95 days This is his journey through the prison system his hopes his dreams his life behind bars **The Spelling Skills Handbook for the Word Wise** John Barwick, Jenny Barwick, 1999 Harpey Mendelson Harold L. Schmidt, 2022-03-08 Sometimes the unlikeliest friendship is the one that changes everything Nixon Bliss thought I couldn't speak without borrowed words that my useless legs dangled because I was made of wood It makes sense to me now the way his eyes fixed on me when my father lifted me out of the car eyes that couldn't believe what they were seeing an illusion as if a magician had pulled a Jew out of a hat instead of a rabbit I had no idea Nixon wanted to be a ventriloquist or that I was the spitting image of Jerry Mahoney or that Jerry Mahoney was Nixon's hero My name is Isaac Harpey Mendelson and I am a real boy Yes Isaac Harpey Mendelson was indeed a real boy Along with his best friend Nixon Bliss and a cast of childhood friends they play in their New Jersey cul de sac at a time when life was much simpler Yet beneath the surface evil reared its ugly head Nearly six decades later Nixon is now a recent widower and pastors a local church in the same neighborhood During his summer sermon he retells the story to his congregation of that iconic time and how it changed their lives Told with humor compassion and sentimentality the chapters alternate between past and present The engaging yet down to earth story of Harpey Mendelson will captivate you from the very first sentence *Words of Ahikar* Scriptural Research Institute, 2020-02-09 The Words of Ahikar is the oldest surviving Israelite story with known copies in Aramaic dating back to the 5th century BC As it has been translated into many languages over the past two and a half millennia it now has several names and translations including the Words of Ahikar the Story of Ahikar and various variations of the name including Achiacharos from the Greek translation yqr from the Aramaic translation Akyrios from the Old Slavonic translation ayq r from the Arabic translation and Xikar from the Armenian translation This translation uses the most common English variation of Ahikar which is based on a transliteration of the oldest surviving Aramaic version of the name The oldest fragments of this book found to date were discovered in Elephantine Egypt and date to the 5th century BC making it a couple of centuries older than the oldest of the Dead Sea Scrolls It is not considered to be a true historical story by any modern academics or theologians It is universally considered to be a work of fiction for several reasons not the least of which are the boys flying on the backs of trained eagles Another reason that the work is not considered historical is that the Assyrian kings are not mentioned in the correct order as King Esarhaddon was actually Sennacherib's son not his father Both Kings are well known from the historical records of the Assyrians Babylonians and Egyptians Moreover Esarhaddon and his son Ashurbanipal liberated Egypt from Kushite rule and established the vassal state of Egypt which ultimately became independent again when the Neo Assyrian Empire fell During the time of Sennacherib Egypt was still under the control of Kush and there was no Pharaoh for Ahikar to visit The book also refers to a

King of Persia centuries before there was a Kingdom of Persia and is therefore generally dismissed as a quasi historical work of fiction Nevertheless the Book of Tobit records that Ahikar was sent to Elam as an envoy not Persia As the Persians settled in the land of Elam after King Ashurbanipal destroyed Elam in the mid 7 century BC the name Persia would have been the contemporary geographical term when the Aramaic translation was made and not the original term In any event the author of Tobit must have had a copy of Ahikar that used the name Elam instead of Persia or his reference to Ahikar going to Elam makes no sense
