The Lexical and Metrical Phonology of English John T. Jensen,2022-05-26 This is the

first full scale discussion of English phonology since Chomsky and Halle's seminal *The Sound Pattern of English* (SPE). The book emphasizes the analysis using ordered rules and builds on SPE by incorporating lexical and metrical and prosodic analysis and the insights afforded by Lexical Phonology. It provides clear explanations and logical development throughout introducing rules individually and then illustrating their interactions. These features make this influential theory accessible to students from a variety of backgrounds in linguistics and phonology. Rule ordering diagrams summarize the crucial ordering of approximately 85 rules. Many of the interactions result in phonological opacity where either the effect of a rule is not evident in the output or its conditions of application are not present in the output due to the operation of later rules. This demonstrates the superiority of a rule based account over output oriented approaches such as Optimality Theory or pre-Generative structuralist phonology.

The Ministry of the Word, Vol. 22, No. 04 Various Authors, 2018-04-01

This issue of *The Ministry of the Word* contains the first eight messages given during the fall 2017 term of the full time training in Anaheim, California. The general subject of this series of messages is *The Crucial Revelation of Life in the Scriptures*. The central thought of God in this universe and in eternity is to have Christ as His expression through the church with the shining in life. God's expression is based on life and light and the light is the shining in life. In order for God to have an expression of Himself in Christ through the church, the divine life that expresses Him must be embodied and expressed in Christ and then dispensed into and worked into and expressed through the church. Only the life of God can express God. Based on this principle we will see the crucial revelation of life throughout the Scriptures. Genesis 1 and 2 are not merely a record of creation; actually, nearly every item recorded in these two chapters is a revelation of Christ who is life to God's people for the producing and building up of the church. According to Genesis 1, God created many forms of life beginning with the lowest form and progressing to the highest form of created life that is man, whom God created in His image. The purpose of the creation of man with God's image is that this man would express God. However, the created man had only a human life. Any form of created life can only express itself; it cannot express another kind of life. This means that man is unable to express God if he has only his created human life. In order for man to express God and fulfill His purpose, man must obtain and receive the life of God as his life. God has to enter into man to be life to man. Genesis 2 reveals that the bride of Christ, typified by the woman built from the rib taken from the man, is produced and comes into being by life. The real Eve, the church, the counterpart of Christ which will consummate in the New Jerusalem, is built with the resurrection life that was released by the Lord through His death and imparted through His resurrection. This counterpart of the Lord is a building of life. For God to gain His corporate expression through the church, He must dispense and work Himself into us, His people, His believers. This is accomplished through our eating and drinking Him. We need to pass through three stages of the enjoyment of Christ by eating Him. The first stage is the eating of Christ as the Passover lamb in Egypt; the second stage is the eating of Christ as the manna in the wilderness; and the third stage is the eating of Christ as the rich produce of the good land. By our eating in the

first two stages we are energized to leave the world and are constituted with Christ as the heavenly element Only in the third stage of the enjoyment of Christ as our food can we fulfill God's purpose It was not until the children of Israel entered into the good land and enjoyed the produce of the land that they were able to defeat all the enemies build up God's dwelling place on the earth and bring in the kingdom of God Likewise for us to reach the goal of God's economy we need to progress until we enter into the highest stage of eating Christ as the all inclusive Spirit as typified by the rich produce of the good land In this stage we overcome the spiritual enemies we are built up to be God's dwelling place and we establish God's kingdom on earth The history of God's people is not only one of eating but also one of drinking In the Old Testament before coming into the good land and building the house of God the children of Israel journeyed through the wilderness During that journey they came to Marah a place of bitter waters Moses followed God's command to cast a tree into the bitter waters the waters then became sweet This tree signifies the tree of life the crucified and resurrected Christ who today is the Spirit mingled with our spirit In our spirit we have the crucified and resurrected Christ as our Healer He is the One who transforms our bitter circumstances and makes them sweet and He also heals all our diseases Before the building of the house of God the Bible speaks of the springs of water Exo 15 22 27 the water out of the cleft rock 17 6 and the water from the well Num 21 16 17 Christ as the living spiritual rock was smitten by the authority of God's law so that the water of life in resurrection could flow out of Him and into His redeemed people for them to drink After God's people built the house of God in the good land the Bible speaks of the river of God's pleasures Psa 36 8b the river whose streams gladden the city of God 46 4 a fountain going forth from the house of Jehovah Joel 3 18 and living waters going forth from Jerusalem Zech 14 8 We need to experience the flowing of the living water out of the house of God Ezek 47 1 5 In order to be in the flow we have to be in the building that is we need to be in the church In the New Testament we can see the crucial revelation of life in the book of Matthew In the decree of the kingdom's constitution given by the Lord in chapters 5 7 He displayed the two possible ways people may live and work before God 7 13 14 21 27 The broad way that leads to destruction is according to the worldly systems satisfying the natural tastes to get the crowd to maintain a career of man and to achieve man's enterprise The constricted way is according to the divine regulations This way which leads to life fulfills the spiritual requests brings in God's elect bears the testimony of Jesus Christ and carries out God's economy for the building up of the Body of Christ We take this way by walking in the spirit this will restrict us and cause us to live a normal Christian life We will thereby become vital healthy believers who take the way of life for God's building There are three basic elements in Matthew First Christ is the King as the kingdom bringing in the reality of the kingdom Second He is the King in His all inclusiveness Third He is the kingly bread When we partake of this kingly bread we eat digest and assimilate the King and the kingdom with its reality and we eat and digest the King in His all inclusiveness The ruling element is in the food When we take in this food we gradually become the reality of the kingdom of the heavens The Announcements section at the end of this issue contains a list of upcoming conferences and trainings hosted
