Literacy Intervention in the Middle Grades Kevin Flanigan, Latisha Hayes, 2022-12-21 No two students in grades 4-8 are identical and many struggle with literacy for different reasons Using a teacher friendly hands on approach this eminently practical book walks educators through the nuts and bolts of literacy intervention in the middle grades Highlights include North Star principles to orient instruction an assessment flowchart and extended case studies of three middle grades learners The book offers evidence based intervention practices for targeting specific literacy components including word recognition fluency vocabulary and comprehension Teachers are guided to plan structured but flexible interventions that promote literacy growth and engagement Sample lesson plans and clear engaging figures illustrate how to make literacy intervention work for all students

Reading Assessment in an RTI Framework Katherine A. Dougherty Stahl, Michael C. McKenna, 2012-01-01 The importance of Response to Intervention has never been clearer We strongly believe that RTI when fully implemented represents our best hope of building the kind of schoolwide framework necessary for making truly informed choices about the type and intensity of the reading instruction children receive Our goal for this book is to offer the guidance needed to use these and other tools in an RTI framework This is a book about the assessment component of RTI We offer guidance and tools for gathering the information needed in an RTI framework We have tried our best to write a book that is both practical and specific that reflects both research and common sense that is consistent with standards and that affords guidance in the issues central to RTI

Reframing Teacher Leadership to Improve Your School Douglas B. Reeves, 2008-05-15 Do you want your school or district to truly become a learning organization How do you foster lasting and meaningful change How do you avoid rejection of your new approach to teaching and learning If you've been involved in a school change effort you most likely have struggled with these questions To ease this struggle Douglas B Reeves has proposed a new framework to promote effective change efforts through teacher leadership In this book you will explore not only cutting edge research findings but also practical applications that can help improve student achievement and educational equity You can learn how to achieve lasting results as an educator and school leader You can learn from other teacher researchers how to infuse your classroom school or district with enthusiasm meaningful teaching improved results and greater satisfaction Even as you strive for innovation you naturally want to avoid

having the next new thing become the latest old thing To achieve lasting change educators must embrace evidence based decision making rather than the fact free debate Reeves has found that educators more readily accept decisions they disagree with if they believe the decision making process was fair not based on opinion or hierarchy Reeves aims for you to help him build a network of teacher leaders based on this new evidence based framework that will foster resilient learning organizations Come along explore act and share Note This product listing is for the Adobe Acrobat PDF version of the book
