Matthew McMahon,2024-03-20 The Book of Ruth often perceived as a heartwarming love story is much deeper than its brief 85 verses may suggest Far from just a narrative of an impoverished outcast finding love through the guidance of her mother in law it holds a weighty place in the biblical canon universally acknowledged and inspired by the Holy Spirit for the enrichment of the Church But could there be more to it The true brilliance of Ruth lies in its core message It masterfully illustrates the concept of redemption and how it unfolds through the Kinsman Redeemer The historical context with Ruth's pivotal role as a Moabite convert to true faith further accentuates its significance Her union with Boaz a revered figure among his kin led to the birth of Obed the grandfather of King David The narrative was crafted to affirm David's legitimate claim to the throne

emphasizing his divine lineage Yet the true essence of the book transcends earthly monarchies pointing towards King Jesus the Messiah our Spiritual David who emerges as the savior and the ultimate Kinsman In Practical Observations on the Book of Ruth McMahon explores this biblical masterpiece offering insightful verse by verse observations He presents it as a reflection of Christ s Covenant of Grace providing a comprehensive commentary on its relevance to the Christian faith and its practical implications for believers in their everyday lives *Reformed Systematic Theology, Volume 3* Joel Beeke, Paul M. Matthew McMahon, 2017-05-18 There is nothing like the Reformed Apprentice workbook series anywhere in the Christian community It is designed to bring Reformed Theology to Christians seeking a deeper walk with Jesus Christ in the form of a workbook not simply a text to read In old England an apprentice was a novice who engaged in a covenant with a tradesman to learn a particular trade A workbook of this kind for today s Christian was created to engage the student of the Bible to be apprenticed under the historical pastors theologians and teachers of Reformed Theology As the Christian learns and grows in Christ through the Bible they mature into a Reformed Apprentice As with each of the workbooks in this series its purpose is to guide the Christian into a deeper knowledge and relationship with the Lord Jesus Christ as he has revealed himself to the church in his Word and by his Spirit through the centuries in Reformed Theology Cultivating a relationship with Christ takes work and every Christian is commanded by God to have communion with the Father through Christ in the power of the Spirit How powerful is your devotional life This volume specifically covers the three spiritual disciplines which make up private devotions in bible reading and study prayer and godly meditation It extensively quotes the Reformers the Puritans and Reformed theologians from various ages in order to aid the Reformed Apprentice in coming to a knowledge of what truly constitutes biblical private devotions as taught in Scripture Reformed Theology and the Reformed Faith **Happiness** Randy Alcorn, 2024-06

Christians are supposed to be happy In fact we are supposed to radiate joy peace and contentment that is so unmistakable and so attractive that others are naturally drawn to us because they want what we have And yet in today s culture the vast majority of Christians are perceived as angry judgmental people who don t seem to derive any joy from life whatsoever So why aren t we happy Unfortunately many Christians are taught early on that God doesn t want us to be happy he wants us to be holy In fact many Christians are laboring under the false notion that God himself is not happy But nothing could be further from the truth God does want us to be happy The Bible is filled with verses that prove that ours is a happy joy filled God who not only loves celebrations but also desperately wants his children to be happy Why else would He go to the lengths He did to ensure our eternal happiness in His presence We know that we will experience unimaginable joy and happiness in Heaven but that doesn t mean we can t also experience joy and happiness here on earth In Happiness noted theologian Randy Alcorn dispels centuries of misconceptions about happiness and provides indisputable proof that God not only wants us to be happy He commands it The most definitive study on the subject of happiness to date this book is a paradigm shifting wake up call for the church and Christians everywhere 5 Marks of Biblical Commitment to the Visible Body of Christ C. Matthew McMahon,2019-05-22 This work in an effort to serve the Lord Jesus Christ in his church demonstrates how Christians ought to have a sound theology surrounding biblical commitment to Christ s visible body This topic includes the privileges and benefits of church membership under the commands of Christ Church membership is a topic sorely neglected in today s contemporary church culture From today s modern vantagepoint such a topic detracts from the attractiveness of the contemporary church In this detraction the church growth movement has quickly cultivated a memberless church a rejection of a real commitment to Christ and has appealed and marketed this new brand of false teaching to the individual Christian Individualism can become sinful very quickly The sin of individualism is always evolving to cope with society s current trends and attempts to market the church and the Gospel in a humanistic manner Such a view gives a license to people to dictate how they may or may not live within the bounds of Christ s visible covenant body both in the context of their own lives and also within the local assembly of Christ s mystical body Christians are to be biblically committed to Christ s divine oversight which includes the directives and regulations he has laid down concerning his visible body in the world Under this theological doctrine of covenanting we find the need for understanding what the visible body of Christ actually is how Gospel unity contributes to its health what need there is for unified public prayer how one is to support the church financially what worship in the church contributes to the health of the church and how membership to a local body is an important element to the overall well being of church polity and governance **The Soteriology of James Ussher** Richard Snoddy,2014 Richard Snoddy offers a detailed study of the applied soteriology of the Irish reformer James Ussher After locating Ussher in the ecclesiastical context of seventeenth century Ireland and England the book examines his teaching on the doctrines of atonement justification sanctification and assurance It considers their interconnection in his thought as well as documenting

relatively forgotten English Puritan developed a theological foundation for the spiritual life based upon the Christian's intimate union with Christ which the Puritans often called spiritual marriage. Schwanda demonstrates that this vibrant relationship of union and communion with Jesus inspired by the Holy Spirit was manifested in a deep contemplative piety of gazing lovingly and gratefully upon God. At the same time, Ambrose did not neglect loving his neighbors. This study reveals how heavenly meditation was one of the significant practices engaged by Ambrose to cultivate spiritual intimacy and enjoyment of God. Further, his experiential reading of Scripture, in particular the Song of Songs, provided him with a language of ravishment and delight in God. This book provides a distinctively Protestant foundation for recovering the contemplative life while recognizing the significant contributions of the Western Catholic tradition.

Reformed Systematic Theology, Volume 4 Joel Beeke, Paul M. Smalley, 2024-05-06

Accessible Study of Ecclesiology and Eschatology from a Reformed Perspective

Reformed Systematic Theology explores key Scripture topics from biblical, doctrinal, experiential, and practical perspectives, helping readers grow in their understanding and application of the truth presented in God's Word. Written by Joel R. Beeke and Paul M. Smalley, each volume presents a comprehensive yet accessible study of the Reformed Christian faith that ministers to the whole person: head, heart, and hands. The final volume, *Church and Last Things*, unpacks important topics around ecclesiology (the doctrine of the church) and eschatology (the doctrine of last things), including the biblical significance of church membership, Jesus's model for the church, and 7 practical lessons from Revelation. A set of all 4 Reformed Systematic Theology volumes is also available.
