Marine Corps,1949 *USMC Marine Corps Martial Arts Tan & Gray & Green & Brown & Black Belt Instructor Manual* , **Counterinsurgency Field Manual** The U.S. Army Marine Corps,2024-05-31 When the U S military invaded Iraq it lacked a common understanding of the problems inherent in counterinsurgency campaigns It had neither studied them nor developed doctrine and tactics to deal with them It is fair to say that in 2003 most Army officers knew more about the U S Civil War than they did about counterinsurgency The U S Army Marine Corps Counterinsurgency Field Manual was written to fill that void The result of unprecedented collaboration among top U S military experts scholars and practitioners in the field the manual espouses an approach to combat that emphasizes constant adaptation and learning the importance of decentralized decision making the need to understand local politics and customs and the key role of intelligence in winning the support of the population The manual also emphasizes the paradoxical and often counterintuitive nature of counterinsurgency operations sometimes the more you protect your forces the less

secure you are sometimes the more force you use the less effective it is sometimes doing nothing is the best reaction An new introduction by Sarah Sewall director of the Carr Center for Human Rights Policy at Harvard s Kennedy School of Government places the manual in critical and historical perspective explaining the significance and potential impact of this revolutionary challenge to conventional U S military doctrine An attempt by our military to redefine itself in the aftermath of 9 11 and the new world of international terrorism The U S Army Marine Corps Counterinsurgency Field Manual will play a vital role in American military campaigns for years to come The University of Chicago Press will donate a portion of the proceeds from this book to the Fisher House Foundation a private public partnership that supports the families of America s injured servicemen To learn more about the Fisher House Foundation visit www.fisherhouse.org
