Val A Man Amongst Men:

Val A Man Amongst Men Robert F. McCabe Sr., William J. McCabe, 2014-12-08 A man amongst men describes Valentine Raphael McCabe best He lived a life witnessing the early twentieth century historical events In a way through his job at Wright Aeronautical Corporation during World War II he had his fair share of the Allies s victory Born in Manhattan he grew up in a devout Catholic and close knit family J W McCabe Co Inc a famous photo mount company in New York in the early 1900s was owned by his Uncle Jim and he worked there as a boy to earn his keep after his mom died As a young man he demonstrated his knack and skill in electromechanical which will ultimately lead him to Wright Aeronautical Corporation and later on to Ford Motor Company in Michigan His seventy one amazing years on earth are told by his sons Bill and Bob with bits and pieces of history along the way Witness a man s life surrounded with family love history and the now seldom seen values and culture of the good old times

Sexuality and Prison Arnaud Gaillard, 2023-06-09 How do the 60 000 people incarcerated in France experience their sexuality If it seems unthinkable today not to care for and feed prisoners it will no doubt seem incomprehensible that the prison of the 21st century has not been able to integrate respect for the right to intimacy as an essential element of human dignity The deprivation and control of sexual relations in prison represents an additional punishment for prisoners and their families who feel the injustice of it all An ambitious study was needed to go beyond stereotypes particularly when it comes to prostitution rape and homosexuality within prison walls In prison it s hard to avoid regression to a solitary pornographic sexuality Marital sexuality is furtive and humiliating stolen from the gaze of prison guards A general situation that runs counter to the State s stated ambitions in terms of rehabilitation and the fight against recidivism This groundbreaking sociological document is also a fascinating human investigation Sixty men and women detained in France were interviewed on a regular basis Testimonies were gathered from several foreign countries The author was also able to interview prison and medical social staff He then questions the nature and use of confinement putting it into perspective with a justice system that is all too often misunderstood Arnaud Gaillard is Secretary General of the Human Rights Alert and Intervention Network RAIDH He is a lawyer and has a doctorate in sociology He is the author of a thesis on sexuality in prison defended at the Sorbonne in 2008 At the end of 2009 he coordinated the 4th World Congress against the Death Penalty

Notes and Queries William Henry Egle, 1895 **Beer, Babes, and Balls** David Nylund, 2012-02-01 Beer Babes and Balls explores the increasingly popular genre of sports talk radio and how it relates to contemporary ideas of masculinity Popular culture plays a significant role in fashioning identities and sports talk radio both reflects and inspires cultural shifts in masculinity Through analysis of the content of sports talk radio as well as interviews with radio production staff and audience members scholar and avid sports talk radio listener David Nylund sheds light on certain aspects of contemporary masculinity and recent shifts in gender and sexual politics He finds that although sports talk radio reproduces many aspects of traditional masculinity sexism racism and heterosexism there are exceptions in these

discourses For instance the most popular national host Jim Rome is against homophobia and racism in sport which indicates that the medium may be a place for male sports fans to discuss gender race and sexuality in consequential ways Nylund concludes that sports talk radio creates a male bonding community that has genuine moments of intimacy and connection signifying the potential for new forms of masculinity to emerge while simultaneously reproducing traditional forms of masculinity

The Poverty of the Ethnography of Poverty Loïc Wacquant,2025-07-02 In *The Poverty of the Ethnography of Poverty* Lo c Wacquant dissects how sociologists who carry out field studies of the poor write about race class and morality in the city s underbelly the blinders and biases that affect their research and how to overcome them and how to become aware of these biases and develop a better meshing of theory and research

Queering the Countryside Mary L. Gray,Colin R. Johnson,Brian J. Gilley,2016-03-15 Choice Outstanding Academic Title of 2016 Rural queer experience is often hidden or ignored and presumed to be alienating lacking and incomplete without connections to a gay culture that exists in an urban elsewhere *Queering the Countryside* offers the first comprehensive look at queer desires found in rural America from a genuinely multi disciplinary perspective This collection of original essays confronts the assumption that queer desires depend upon urban life for meaning By considering rural queer life the contributors challenge readers to explore queer experiences in ways that give greater context and texture to modern practices of identity formation The book s focus on understudied rural spaces throws into relief the overemphasis of urban locations and structures in the current political and theoretical work on queer

sexualities and genders *Queering the Countryside* highlights the need to rethink notions of the closet and coming out and the characterizations of non urban sexualities and genders as isolated and in need of outreach Contributors focus on a range of topics some obvious some delightfully unexpected from the legacy of Matthew Shepard to how heterosexuality is reproduced at the 4 H Club to a look at sexual encounters at a truck stop to a queer reading of *The Wizard of Oz* A journey into an unexplored slice of life in rural America *Queering the Countryside* offers a unique perspective on queer experience in the modern United States and Canada *The Cold Counsel* Sarah M. Anderson, Karen Swenson, 2013-05-13 *Cold Counsel* is the only collection devoted to the place of women in Old Norse literature and culture It draws upon the disciplines of history sociology feminism ethnography and psychoanalysis in order to raise fresh questions about such new subjects as gender class sexuality family structure and ideology in medieval Iceland *The Sunday School Helper* , 1890 *Congressional Record* United States. Sexual Morality in Ancient Rome Rebecca Langlands, 2006-05-25 Traditionally scholars have approached Roman sexuality using categories of sexual ethics drawn from contemporary Western society In this 2006 book Dr Langlands seeks to move away from these towards a deeper understanding of the issues that mattered to the Romans themselves and the ways in which they negotiated them by focusing on the untranslatable concept of *pudicitia* broadly meaning sexual virtue She

offers a series of nuanced close readings of texts from a wide spectrum of Latin literature including history oratory love poetry and Valerius Maximus work *Memorable Deeds and Sayings* Pudicitia emerges as a controversial and unsettled topic at the heart of Roman debates about the difference between men and women the relation between mind and body and the ethics of power and status differentiation within Roman culture The book develops strategies for approaching the study of an ancient culture through sensitive critical readings of its literary productions

Stranger at Home Jacob Neusner, 2003-09-26 Jacob Neusner the preeminent Judaic scholar who is himself a Jew and a Zionist here explores the issue he believes to be at the very heart of American Judaism how two events remote from the experience of most American Jews have become the twin pillars upon which their world view is built These two events the murder of six million Jews between 1933 and 1945 and the subsequent creation of the State of Israel form what Neusner calls the myth of the Holocaust and redemption *Stranger at Home* scrutinizes the paradox of a central myth generated out of events never witnessed and a place never inhabited by the majority of American Jewry Written over a period of nearly twenty years these systematically related essays begin with an analysis of the social and psychological problems confronting American Jews The second and third set of studies concern the implications of the two elements that constitute the mythic vision that begins in death the Holocaust and is completed by rebirth Israel Finally the author offers his view of the actual and desirable role of Zionism for the Jewish community outside of Israel Neusner's penetrating exposition sheds light on the search of an American minority culture for identity in the context of freedom and free choice and on the process of adaptation of an archaic religious tradition to modernity
