emerged over recent years as a possible successor to the now ageing SQLite format and has begun to appear as part of some modern applications on mobile devices Protocol Buffers provide a format for taking compiled data and serializing it by turning it into bytes represented in decimal values which is a technique commonly used in mobile devices The aim of this book is to act as a knowledge base and reference guide for digital forensic practitioners who need knowledge about a specific file system or file format It is also hoped to provide useful insight and knowledge for students or other aspiring professionals who want to work within the field of digital forensics The book is written with the assumption that the reader will have some existing knowledge and understanding about computers mobile devices file systems and file formats Reinforcing

Patriarchy Chetna Bhatia, The life of a common Indian woman is full of struggles dilemmas pressures and conflicts Family s pressure to plan kids explanations for opting night shift jobs scolding about going alone to eating places and movies reservation of seats in public transport reaching out to diet and cosmetic industries to attain size zero and ultra fair faces to get her boyfriend s attention back Where does 21st century Indian society stand on such issues Also what role does mass media especially advertising plays in influencing public mindset about women This work acknowledged the need of examining it with reference to a wider context of the hard core issues faced by women in their bedrooms kitchens offices streets and living rooms Therefore a sincere effort was put in reaching out to the people and mapping their minds through a set of questions hidden form about the control over a woman s body the concept of her beauty aspects of her occupation and mobility her role in decision making and in division of labor in the households The book goes one step ahead of the typical impact studies or analysis of stereotypes in advertisements For those interested in women studies the book contains facts about women s movement in India till 2016 and a complete list of issues affecting a woman from her bedroom to her workplace Those interested in advertising and cultural studies can find a full length discussion on basic aspects of advertising as a format and as an institution For the scholars of media studies or sociology the work contains self constructed Likert scales and codes Further the research has attempted to directly compare the advertisements and society on common parameters The study draws its basic concepts and critical perspective from the works of Richard W Polay John Fiske John Hartley Daniel Schandler Lewis Hedwig Kamla Bhasin Nivedita Menon Naomi Wolf Radha Kumar Foucault Erving Goffman and Laura Mulvey The issue has been examined thoroughly in the light of contemporary events and factors which make it more relevant to the present stage of globalized Indian society **Young People and Social Media: Contemporary**

Children's Digital Culture Steve Gennaro, Blair Miller, 2021-10-05 Young People and Social Media Contemporary Children s Digital Culture explores the practices relationships consequences benefits and outcomes of children s experiences with on and through social media by bringing together a vast array of different ideas about childhood youth and young people s lives These ideas are drawn from scholars working in a variety of disciplines and rather than just describing the social construction of childhood or an understanding of children s lives this collection seeks to encapsulate not only how young

people exist on social media but also how their physical lives are impacted by their presence on social media One of the aims of this volume in exploring youth interaction with social media is to unpack the structuring of digital technologies in terms of how young people access the technology to use it as a means of communication a platform for identification and a tool for participation in their larger social world During longstanding and continued experience in the broad field of youth and digital culture we have come to realize that not only is the subject matter increasing in importance at an immeasurable rate but the amount of textbooks and or edited collections has lagged behind considerably There is a lack of sources that fully encapsulate the canon of texts for the discipline or the rich diversity and complexity of overlapping subject areas that create the fertile ground for studying young people s lives and culture The editors hope that this text will occupy some of that void and act as a catalyst for future interdisciplinary collections Young People and Social Media Contemporary Children s Digital Culture will appeal to undergraduate students studying Child and Youth Studies and given the interdisciplinary nature of the collection scholars researchers and students at all levels working in anthropology psychology sociology communication studies cultural studies media studies education and human rights among others Practitioners in these fields will also find this collection of particular interest
