Valuable Things A Hurrican Road Novel:

Valuable Things Roger C. Horton, 2014-11-08 The third novel of the Hurricane Road Series Valuable Things begins in the depths of the great depression Beautiful twin sisters are united by faint memories and dreams of a dark past As they search for the hidden truth their lives begin to be changed by it Raised in luxury by loving grandparents they have been given everything money can buy There is two of everything until they fall in love with the same man It s a story of love jealousy and the consequence of choices It s about hot revenge cold retribution and how even a spirited woman can be destroyed by a cruel man In old age as Asher raises his great grandson Cory mere wealth means little to him He resolves to give the boy his most precious possessions valuable things that must be learned and lived **The Book Lover's Guide to Florida** Kevin M. McCarthy, 1992 Here is the book lover s literary tour of Florida an exhaustive survey of writers books and literary sites in every part of the state The state is divided into ten areas and each one is described from a literary point of view You will learn what authors lived in or wrote about a place which books describe the place what important movies were made there even the literary trivia which the true Florida book lover will want to know You can use the book as a travel guide to a new way to see the state as an armchair guide to a better understanding of our literary heritage or as a guide to what to read next time you head to a bookstore or library Publisher Rockslide (Street Rats of Aramoor: Book 3) Michael Wisehart, A debt is owed and time is running out Ayrion s tribe has until the Harvest Moon to meet the Guild s price If the payment isn t made Hurricane s territory will be seized and its members left to starve The stakes have never been higher Once again Ayrion finds himself in the precarious position of taking on the role of savior Only this time it s not just his life that hangs in the balance but the lives of all the children he protects Desperation can lead people to attempt the impossible but Ayrion has truly tipped the scales on this one The Street Rats of Aramoor series is prequel to the Aldoran Chronicles saga The Prepper Next Door Charlie Palmer, 2012 A book for practical preppers those planning for emergencies or disasters Discusses food storage water purification and collection sanitation first aid bug out bags bug out vehicles home and self defense firearms and shooting providing lights and utilities and aspects of home construction AUTHOR BIO Charlie Palmer became a prepper back in the early 1980s when he first read The Survivor newsletter Today he recommends people make modest preparations for natural disasters and other emergencies His interests include do it yourself repairs shooting welding machining and outdoor survival **The Crafts Business Answer Book** Barbara Brabec, 2006-07-08 This comprehensive instruction book relates specifically to businesses falling under the arts and crafts umbrella from decorative art to needlecrafts to production and marketing of sideline products Includes a collection of human interest stories about problem solving and anecdotes about running a business Illustrations *The Wealth of Knowledge* Thomas A. Stewart, 2007-12-18 In Thomas A Stewart s bestselling first book Intellectual Capital he redefined the priorities of businesses around the world demonstrating that the most important assets companies own today are often not tangible goods equipment financial capital or market share but the

intangibles patents the knowledge of workers and the information about customers and channels and past experience that a company has in its institutional memory Now in his new book *The Wealth of Knowledge* Stewart widely acknowledged as the world's leading expert on working with intellectual capital in today's knowledge economy reveals how today's companies are applying the concept of intellectual capital into day to day operations to dramatically increase their success in the marketplace Arguing that companies can make untold millions of dollars by managing knowledge more effectively and save millions more Stewart offers executives and managers compelling accounts of how leading companies around the world are successfully tackling the practical issues involved in today's knowledge economy The heart of the book is a revolutionary 4 step process that shows how to put intellectual capital to work to improve performance and profitability as well as manage knowledge processes He goes on to discuss how companies can better utilize their current assets and enhance their knowledge resources for the future Questioning many of the assumptions that have ruled business in the twentieth century he addresses such critical and fundamental issues as why companies exist how they should be organized and how people should be compensated With his customary fearlessness and foresight he plunges into the thick of the controversial arena of measuring and accounting as well an increasingly difficult task when a corporation's assets are intangible *The Wealth of Knowledge* not only sets out the latest thinking in creating and managing knowledge assets but provides a detailed course of action for corporations trying to navigate their way in the world of knowledge economy
