Challenges is the first book to systematically address technology's impact on microfinance. It discusses a wide variety of technology applications that will define the next generation of the microfinance movement and it addresses the tough questions surrounding technology in microfinance. For instance, what are the disadvantages of technology-enabled microfinance and what will it mean for the inclusiveness and empowerment of the service? This dynamic collection is a must-have for anyone interested in microfinance, whether you are a donor, lender, or investor.

Morningstar's 30-Minute Money Solutions Christine Benz, 2011-03-01 The quick and easy way to manage money and achieve financial goals. The recent economic meltdown has left people in terrible financial shape with little idea of how to turn things around. Using Morningstar's time-tested strategies and sensible approach to money management, Morningstar's 30 Minute Money Solutions: A Step by Step Guide to Managing Your Finances breaks down important financial tasks into doable chunks, each of which can be accomplished in 30 minutes or less. The practical, no-nonsense book lays out the tools to get organized, including how to create a filing and bill-paying system. Details how to find the best uses for one's money, as well as how to properly invest for savings, college, and retirement. Other titles by Benz: Morningstar Guide to Mutual Funds, Five Star Strategies for Success. These are uncertain times. Morningstar's 30 Minute Money Solutions provides expert guidance on all aspects of personal money management and it does so in quick, easily digestible steps.

Strategies of Banks and Other Financial Institutions Rajesh Kumar, 2014-07-16 How and why do strategic perspectives of financial institutions differ by class and region? Strategies of Banks and Other Financial Institutions: Theories and Cases is an introduction to global financial institutions that presents both theoretical and actual aspects of markets and institutions. The book encompasses depository and non-depository institutions, money markets, bond markets, and mortgage markets, stock markets, derivative markets, and foreign exchange markets, mutual funds, insurance, and pension funds, and private equity and hedge funds. It also addresses Islamic financing and consolidation in financial institutions and markets. Featuring up-to-date case studies in its second half, Strategies of Banks and Other Financial Institutions proposes a useful theoretical framework and strategic perspectives about risk, regulation, markets, and challenges driving the financial sectors. Describes theories and practices that define classes of institutions and differentiate one financial institution from another. Presents short, focused treatments of risk and growth strategies by balancing theories and cases. Places Islamic banking and finance into a comprehensive universal perspective.
