could pull it back Uncle Albert cawing had seized it For a moment there was a nightmarish tug of war over the chair then Bernie released it falling back to the fireplace The corpse struggled slowly to its feet Bernie wasted time fumbling for the poker because he couldn't bear to look away from it When he finally had it the corpse was upright and swinging the chair back over its head stumbling toward him Quickly Bernie ran at it taking advantage of its slow clumsiness to shove it But that brought him face to face with it and into its evil putrid chemical odor He almost panicked eyeball to eyeball with Death Hysterically he shoved it away screaming Die Die Die and swinging the poker again and again smashing the face the head the chair it finally brought forward following it up as it staggered backward as it fell striking and striking and striking screaming and screaming Dirty rotting scoundrel

Luck Joan Barfoot, 2010-01-29 There is good luck and there is bad luck and then there s the ambiguous sort of luck that s a lot of this and some of the other Philip Lawrence a robust and pleasure loving furniture maker dies suddenly at the age of forty six Though that s terribly young by most standards he s lucky to have passed presumably peacefully in his sleep Less fortunate however are the three women he leaves behind to make sense of his loss There s Nora his wife of seventeen years who wakes up next to his dead body A fiery visual artist Nora s feminist re interpretation of biblical themes stoked fundamentalist outrage from her small town neighbours Now as her emotions run the gamut she must confront solo life in a place she despises Nora shares the house with Sophie a buxom and bossy redhead who works as the couple s housekeeper and personal assistant A recovering virtue addict Sophie turns to menial tasks as a way to suppress painful memories of her two year stint as an overseas aid worker Philip s death leaves her quietly reeling And then there s the pliable and vacuous Beth a former beauty queen who serves as Nora s live in muse and model She mourns not Philip so much as the loss of a haven from her own creepy past The novel follows the three days immediately after Philip s death Privately each woman deals with memories and emotions secrets and uncomfortable revelations while at the same time preparing for the public rituals of mourning including a funeral like no other The narrative moves seamlessly from one

perspective to another with delicious dark humour and wry insight into the nature of death love mourning fundamentalism and luck Barfoot's tenth novel Luck was shortlisted for the 2005 Scotiabank Giller Prize The jury citation reads as follows Joan Barfoot is at the peak of her powers with this splendidly realized tragicomedy about a household in the wake of an unexpected death With its note perfect narration mordant wit and wonderfully neurotic cast of characters Luck shows how death can reveal life in all its absurdity and complexity This scintillating comedy of manners is also a profound meditation on fate love and artifice
