Thoughts to Enlighten and Empower the Mind Errol A. Gibbs,Philip A. Grey,2011-06-16 Thoughts to Enlighten and Empower the Mind is a compilation of two thousand and one questions and philosophical thoughts extracted from the authors seminal work Five Foundations of Human Development These thoughts follow the same chronology of information that helps to promote fulfilling lives through human development from spiritual moral social intellectual and physical perspectives The authors proffer that human beings possess the capacity to rise to a higher state of civilization when we allow our thoughts to permeate our minds with hope and optimism for the future of humanity Gibbs and Grey support the premise put forward by many great writers who contend that our thoughts determine happiness and effectiveness in life Our thoughts and our emotions have a great influence on our carnal impulses and desires We nurture good and bad thoughts and human effort alone is insufficient to properly manage them Negative thoughts establish barriers to communications and harmonious living Positive thoughts radiate harmony among individuals and nations More importantly those in positions of great power who lead humanity must by their thoughts help to create a better world or inadvertently plunge humanity into great chaos as has been recorded in six thousand years of

human history Only a mind that is free of unhealthy thoughts transcends a life of fulfillment Positive thoughts permeate our beings and open up new frontiers of positive leadership for the modern age The global significance of this book is that it informs a more communal view of our world by virtue of the conditioning of our thoughts It will help inform enlighten and empower the minds of leaders to embrace every field of endeavor including engineering science religion politics the military and the environment This will be accomplished with the most vital creative and positive thoughts that rise to a high level of responsibility for the betterment of all humanity Study Guide Joyce Bishop,2002 2006 Questions and Philosophical Thoughts Errol A. Gibbs,Philip A. Grey,2006-10-01 2006 Questions and Philosophical Thoughts A Chronological Listing of Verses taken from FFHD 2006 Questions and Philosophical Thoughts A Chronological Listing of Verses taken from the authors main text Five Foundations of Human Development FFHD It is their way of presenting their primary text to readers in a new and innovative Reading by Verses format This simple to comprehend Body of Knowledge unique analytical compelling and philosophical helps the reader to better understand that human beings are not helpless bystanders watching the past unfold in the present The authors postulate that we are capable of making new history enabled by God s Spiritual Intelligence when we seek it to illuminate our path and guide us Despite the human genius and our scientific progress of the past century nations still struggle to find peaceful co existence Without God s guidance our capacity to exercise patience tolerance and self control will diminish in light of increasing global competition for the world s finite resources Our 21st century visionary leaders have ushered us into the global village unprepared Our vision of a global village could become another fleeting illusion in our eternal quest to govern ourselves and engender hope for all humanity The authors urge the reader not to dismiss this frame of reference as mere idealism Gibbs and Grey predicate their hope for a better world on new understandings of the great inspirational religious enlightenment and philosophical learning discerned from the teachings of Jesus Christ and the great prophets The authors take the reader on an unforgettable journey of discovery of a new hope for humanity with new knowledge to illuminate our path and guide us Their work is nonetheless only a minor contribution to the vast Body of Knowledge penned by notable philosophical giants of yesteryear and the modern age The authors stand on the shoulders of these giants as they PAN take a panoramic view of the 21st century and the new millennium with new hope and optimism for the future of our world Genre Christianity Religion Inspirational Religion Enlightenment Philosophy General
