

The background of the book cover features a gradient sky transitioning from a deep purple at the top to a warm orange and yellow at the bottom, suggesting a sunset or sunrise. A thin, bright yellow line, possibly a comet or a contrail, streaks diagonally across the sky from the upper right towards the center. The bottom of the cover is dominated by a dark, jagged silhouette of a mountain range.

Religion, International Relations and Development Cooperation Berma Klein Goldewijk, 2023-08-28 Religion is high on the agenda of international politics today Though there has been a retreat from religion in Europe the international debate on the meaning and relevance of religion has intensified after the Iranian revolution and has gained new strength with the recent terror attacks the wars in Iraq and Afghanistan the proliferation of intrastate conflict and the process of European integration The issues of secularism and its relationship to democracy globalization and foreign policy are explored in this book It is most relevant for politicians policymakers academic researchers non governmental organisations peace and development practitioners as well as the media The book deals with the practical and policy related consequences of the debate for development organisations and their views on poverty religion and conflict The Society for International Development SID has brought together eminent international writers and leading authorities in the field of religion coming from different backgrounds and regions Among the contributors are Peter Berger Leonardo Boff Abdullahi An Na'im Riffat Hassan Thomas Pogge Scott M Thomas and Jonathan Fox

In an Inescapable Network of Mutuality Lewis V. Baldwin, Paul R. Dekar, 2013-08-30 The scholarship on Martin Luther King Jr has too often cast him in the image of the Southern black preacher and the American Gandhi while ignoring or trivializing his global connections and significance This groundbreaking work written by scholars religious leaders and activists of different backgrounds addresses this glaring pattern of neglect in King studies King is treated here as both a global figure and a forerunner of much of what is currently associated with contemporary globalization theory and praxis The contributors to this volume agree that King must be understood not only as a thinker visionary and social change agent in his own historical context but also in terms of his meaning for the different generations who still appeal to him as an authority inspiration and model of exemplary service to humanity The task of engaging King both in context and beyond context is fulfilled in remarkable ways in this volume without doing essential violence to this phenomenal figure
