Understanding Scriptures Through Cross References The Book Of Revelation:

Understanding Scriptures Through Cross References Kim Bellm-Palmer,2014-11-18 So many times over the course of my life I found myself being drawn to the prophecies in the bible As I watched the events of our time unfolding I felt an urgency to understand how these events were explained in the bible Every time I was drawn to the book of Revelation a book that I knew was trying to tell us what we would need to know in the times in which we currently live Then every time without fail I would not be able to understand what I was reading and every time I would find myself trying to follow the cross references given for the verses I was reading But that would just lead me to search out references of the references until I found myself surfing the bible and getting even more confused Then each time I would simply give up and stop searching Finally after the failed attempts of understanding what the scriptures were trying to tell me I started a project for myself that hopefully would help me stay on track of the answers I instinctively knew were there So for my own use I took the Book of Revelation apart verse by verse Then I found several suggested cross references from several translations Then I brought it all together with the cross references indented under the verse that was crossed Then as I read it I did not find myself bible surfing I found that the Book of Revelation was starting to make sense Then I found a translation of the bible that was unique from all the countless others It was translated by a man who understood Hebrew idioms He added emphasis marks to enhance as well as clarify the scriptures When I took that version and incorporated my format of cross referencing I found the scriptures opening right up in my mind It all was so clear that I could not imagine why I had been having so much trouble The bible came alive and actually made sense I became so excited that I just had to make this simple form available to others So here it is Now you can find the scriptures open up for you just as they did for me *How to Study and Interpret the Holy Bible* Ivan Lane,2023-05-12 Rather than telling you what to think author and expert Ivan Lane teaches you how to define biblical words and cross reference scripture to interpret biblical truth for yourself Mr Lane helps to make readable sense of the Bible by helping you learn how to understand biblical language and symbolic words He does this by using a very unique method of interpreting the Bible that he calls The Definitive Method You will learn what books to use and how to use them in order to interpret any verse in the Bible in the context in which it was written This book appeals to beginners and advanced students alike because it is written in laymen terms with basic and advanced techniques of interpreting the Bible Mr Lane takes you deep into symbolism so that you can understand the spiritual aspect of the Bible for your edification and spiritual growth Every technique is shown with easy step by step examples for your understanding **The Gospel of Mark** Scott Hahn,Curtis Mitch,2001-01-01 A penetrating study of the Gospel of Mark Study notes Topical essays Word studies Maps Cross reference section Study questions 60 pp **The First and Second Book of Samuel** Scott Hahn,2016-10-14 This volume in the popular Ignatius Catholic Study Bible series leads readers through a penetrating study of the First and Second Books of Samuel using the biblical text itself and the Church s own guidelines for understanding the Bible Ample notes
