**Development in India** Pablo Shiladitya Bose, 2015-03-05 Indian diaspora has had a complex and multifaceted role in catalyzing justifying and promoting a transformed urban landscape in India Focussing on Kolkata Calcutta this book analyses the changing landscapes over the past two decades of one of the world's most fascinating and iconic cities Previously better known due to its post Independence decline into overcrowded poverty pollution and despair in recent years it has experience a revitalization that echoes India's renaissance as a whole in the new millennium This book weaves together narratives of migration and diasporas postmodern developmentalism and neoliberal urbanism and identity and belonging in the Global South It examines the rise of middle class environmental initiatives and Kolkata's attempts to reclaim its earlier global status It suggests that a form of global gentrification is taking place through which people and place are being fundamentally restructured Based on a decade's worth of field research and investigation in multiple sites metropolitan centers connected by long histories of empire migration economy and culture it employs a multi methods approach and uses ethnographic semi structured interviews as well as archival research for much of the empirical data collected Addressing urban change and policies as well as spatial and discursive transformations that are occurring in India it will be of interest to researchers in the field of urban geography urban and regional planning environmental studies diaspora studies and South Asian studies

*Short & Curly* Jaideep Gupta, An anthology of nine anecdotal sometimes funny sometimes deeply moving stories from his erstwhile hospitality days And four fictional short stories some touching history some a bit supernatural wraps up this small book Without going onto individual stories it suffices to say each story reveals author s humorous but keen observation of human nature Be it his encounter with a hawker in train or the celebrity writer La Pierre Every story is sure to bring a speck of smile on the lips of reader This curly stories range from episodes from Maratha warrior king Shivaji to somewhat ghostly offering from a departed lover Jaideep s style of writing is never boring it s bubbly in style and full of joi vivre **Thapar's Calcutta Pocket Guide** ,1962 **This Handmade Life** Nandita Iyer,2022-05-09 This Handmade Life is all about finding a passion and becoming really good at it Divided into seven sections baking fermenting self care kitchen gardening soap making spices and stitching this book tells us it is all right to slow down and take up simple projects that bring us unadulterated joy Written in Iyer s signature lyrical and friendly style the book is about hands on activities that can be meditative and healing for the body mind and soul Taking the reader through myriad personal and transformative hobbies Iyer has managed to serve up a book that is motivational and inspirational at a time when both are in short order

*Documenting Industry* Ranu Roychoudhuri,Rebecca M. Brown,2025-03-19 Whether a smoky portrait of a coal mine or a sweeping shot of workers building an immense dam photographs of established and emerging industries fundamentally shaped the visual culture and politics of South Asia in the decades after independence This volume engages with the image of the laboring body against monumental machines dams and infrastructure and the ways in which photography engages with strands of modernist aesthetics to support new modes of seeing the changing industrial landscape and the human body The multidisciplinary essays in the book embrace the porosity of documentary and journalistic photography and draw out questions of aesthetics in relation to both modernizing calls to industry and modernist framings of the visual in India The book looks back at photographs from the twentieth and twenty first centuries and critically considers post World War II industry with its imagery of factories belching pollutants into the air and the reality of massive displacements of workers due to epidemics floods and drought It analyzes these images in relation to contemporaneous understandings of aesthetics and in dialogue with recent understandings of the global climate crisis The volume probes the co constitution of industry and photography in postcolonial India by looking at selected sites of industrial and artistic practices and their interwoven histories Part of the Visual Media and Histories Series this book will be of interest to students and researchers of the history of photography visual media studies Indian history art history cultural studies and South Asian studies
