Understanding Second Language Learning Difficulties Madeline E. Ehrman,1996-09-26 The insights techniques and skills needed to understand why some adult students have difficulties with learning a second language are presented in this book The author s premise is that what appears on the surface is often not the real source of the learner s difficulty A correct diagnosis of the cause of the problem is important if intervention is to prove effective The book presents a large number of theories and models of learning and covers areas including learning styles and personality dispositions student motivation self efficacy and anxiety and how to interview students Making Transparent Environmental Management Decisions Keith M. Reynolds,Paul F. Hessburg,Patrick S. Bourgeron,2014-03-10 Since 1997 the Ecosystem Management Decision Support EMDS system has been used around the world to support environmental analysis and planning in many different application areas and it has been applied over a wide range of geographic scales from forest stands to entire countries An extensive sampling of this diversity of applications is presented in section 2 in which EMDS application developers describe the varied uses of the system These accounts together with the requisite background in section 1 provide valuable practical insights into how the system can be applied in the general domain of environmental management *The Dutch Navy of the Seventeenth and Eighteenth Centuries* Jaap R. Bruijn,2017-10-18 This book is a reprint of Jaap R Bruijn s 1993 book The

Dutch Navy which offers an English language overview of the history of the Dutch Navy in the seventeenth and eighteenth centuries It is divided into three chronological periods the old new and second rate navy Rather than presenting a history of naval conflict this volume approaches Dutch naval history from the following four angles operations administration officer duties and sailor duties It consists of a series foreword a new introduction detailing recent developments in naval historiography the original introduction providing a history of Dutch maritime history from the middle ages to the beginning of the seventeenth century a conclusion and a bibliography and index It explores the astounding amount of naval power belonging to such a sparsely populated nation plus the rapid rates of success and decline It confirms that the Dutch navy with its logic innovation and missteps alike provides an excellent case study of both the development of European bureaucracy and armed forces in the Early Modern period A Catalogue of ... Scandinavian Review ,1915 Drug and Alcohol Abuse M. A. Shuckit,2013-03-09 When this series was conceived a book on substance abuse including alcohol and alcoholism was to be of highest priority This priority was a reflection of my view that the subject is often taught inadequately or insufficiently in many training programs Yet these problems are commonly encountered in clinical practice and all too often in situations where accurate diagnosis and rapid treatment are of critical importance We wanted a book that would be concise and easily readable but also comprehensive in its presentation of the basic principles underlying clinical manifestations diagnosis and management It was of particular importance that the book also serve as an easy reference guide in emergency situations Marc Schuckit a man with impeccable credentials as a scholar and an experienced clinician in this field has produced just such a book Few psychiatrists psychotherapists or physicians will want to be without it The presentation is comprehensive and in depth yet so clear and well organized that it will also likely be of interest to medical students nurses and emergency personnel Edible Medicinal and Non-Medicinal Plants T.
