Bizarre Laws & Curious Customs of the UK Monty Lord,2023-05-10 A curious comical and highly entertaining read full of eccentric laws and customs that have led to our rich legal heritage Lubna Shuja President of The Law Society of England and Wales In the UK we have some bizarre laws that have littered the statute books of our sceptred isle throughout history Not all of them have been repealed over the centuries Some of them made perfect sense at the time they were introduced but seen through modern eyes now appear archaic and draconian Despite the great efforts of the Law Commission in England and Wales to review and recommend reforms for many of these outdated laws there are centuries of law that must be painstakingly gone through As well as some bizarre laws the UK also has its fair share of curious customs and time honoured traditions that have been observed for centuries On the surface many appear to be nothing more than

theatrical pomp and pageantry However they are all born from strong rationale The UK parliament seems to have had a particular penchant for passing laws related to fish and animals indecency and passing sentences with some humiliating public punishments This book is a highly entertaining read for anyone who enjoys learning about the more bizarre applications of UK law throughout the centuries along with some rather macabre consequences along the way Have you ever heard a bizarre law and thought that can't possibly be true Is it genuine Was it ever in existence or just an urban myth that became so embellished over time There are surprisingly a great many laws still in existence on the statute books today that would make your jaw drop Whilst bizarre as these laws may now seem to us it begs the question are we in fact unknowingly breaking these laws on a regular basis For example Is it illegal to own a pet whale but not a tiger Was it illegal for women to argue quarrel Is it legal to carry a ladder along a street Were mince pies once illegal Who owns your passport all these questions and more will be answered in this Volume 2 of a 3 volume series by Monty Lord Reading this book you may be inclined to laugh heartily let out a sorrowful cry or recoil in abject horror at some of the more gruesome sentences passed for breaking these weird laws With over 160 bizarre but nevertheless true laws and customs you can use this book to satisfy your curiosity about what our ancestors had to contend with over the years or perhaps as a reference guide for trivia quizzes

Motoring World Delhi Press Magazines, 2019-01-17 This magazine is a specialist motoring magazine we have always catered to the enthusiast in you and brought an unadulterated view of the world of motoring Sharp sassy clean wittier and edgier than ever before Drive it home today **Balikwas** Chris Payne, 2013-06-24 Balikwas is a Tagalog word virtually untranslatable into English It signifies a startling change such as an awakening It can also mean going over to the other side Chris Payne writes about making a change a change of moving his life to the other side of the world when he and wife Loydz emigrated to The Philippines The book is an account of what needed to be done at each end of the project as they came to call it but it also includes amusing asides about life and its quirks It can be read as a simple how to do it guide for anyone contemplating emigration either to The Philippines or elsewhere Or it could be seen as a comic account Most of all though it is an encouraging and life affirming story of how even late in life one can still change one's life and enjoy new and interesting experiences in a far away country *Monte Carlo For Vagabonds* R.A. Dalkey, When R A Dalkey travels cheap he thinks bigger than hostel dorms overnight trains and pasta with tomato sauce for every meal He'll roll out his sleeping bag in Madrid's red light district nap on the streets of Monaco and furtively string up his hammock on Swiss farms He'll spontaneously teach English in Laos in exchange for rice He'll thumb ride anywhere from Timor to the Orange Free State He'll try smiling a lot and see where it takes him Most of the time it's somewhere good As this collection of stories will reveal it doesn't always go smoothly Indonesian bush fires chase him from his campsite His shoes freeze solid in Siberia He gets head butted by an Albanian villager He's shaken by earthquakes and terrified by witching hour excavations in Andorran valleys And incompetent as ever with ropes his hammock has a habit of falling down in the middle of the night with him in it

Yet he wouldn't have it any other way travelling Dalkey style delivers the richest of experiences And as he shares the adventures few of us would brave you'll pick up gems about this crazy planet Do you know which head of state was an Olympic bobsleigh competitor Or how long your unattended bag will go untouched in Japan Who's eating all the ice cream in Pyongyang And how do cats jump in Swedish Like that uncle with the rose tinted specs and a grumpy anarchist student rolled into one Dalkey turns up his nose at travel insurance and shows there's more than one way to see a world that always steers us to play it safe
