To Save A World (Darkover Omnibus #7) Marion Zimmer Bradley, 2004-12-07 An omnibus volume of two of Marion Zimmer Bradley's classic long unavailable Darkover novels including the first Darkover novel ever written. *To Save a World* includes *The World Wreckers* and the *Planet Savers* plus the short story *The Waterfall*. *The Planet Savers* Originally published in *Amazing Stories* in December 1958. *The Planet Savers* was the very first Darkover novel to see print. It was here readers were first introduced to the now legendary world of *Cottman IV* at a time when the Terrans are desperately seeking a cure to a disease of epidemic proportions that threatens the lives of Terrans and Darkovans alike. For every forty-eight years Trailmen's fever, a childhood illness among this native and venerable race, becomes pandemic, decimating the human population of this rustic planet. Now one brave Terran doctor must join a Darkovan expedition into the wild, mountainous terrain of the Trailmen in a desperate attempt to create a vaccine and eradicate this terrible plague once and for all.

The World Wreckers Planetary Investments Unlimited, that was the company's official name, but unofficially it was known as *Worldwreckers Inc*. For a fee, its agent would infiltrate any world unwilling to give up its independence and do enough damage that the natives would be forced to allow Terran investors to step in and salvage their planet. And now, once again, its agents were at work. In the 78 years since the planet *Cottman IV*, called *Darkover* by its natives, was rediscovered by the Terran Empire, all efforts to colonize and industrialize this exotic world had failed. And the person in charge of *Worldwreckers Inc*, a centuries-old being who appeared to be a woman, had decided to take on this particular assignment herself. After all, she had special insight into this world for long ago, lifetimes ago, she had called *Darkover* home.

The Ages of Chaos Marion Zimmer Bradley, 2002-05-01 *The Ages of Chaos* includes *Stormqueen* and *Hawkmistress*, two acclaimed novels by Marion Zimmer Bradley, and part of the expansive genre-bending Darkover series. Set during the lawless *Ages of Chaos*, when the ruling families of the Seven Domains of Darkover ruthlessly inbred their psychic offspring to gain powerful and fearsome talents, two young women are born with wild psychic gifts. These stories, *Stormqueen* and *Hawkmistress*, one tragic and one triumphant, combine to give the reader a vivid and poignant picture of a devastating time period in the history of this fantastic world.

Stormqueen During the lawless *Ages of Chaos*, when the ruling families of Darkover ruthlessly inbred their gifted offspring to gain powerful talents, a baby was born to the lord of Aldaran. This child, born on a dark and thunder-filled night, was possessed of a terrifying and uncontrolled talent. Dorily's heiress to her father's domain could unwittingly call forth lightning even while still a fretful child. Fearful for his daughter's life and the safety of his domain, Lord Aldaran sent to a tower for help. But even the powers of a trained monitor and a Hastur lord might not be enough to save this painfully afflicted and deadly young woman.

Hawkmistress Romilly was an independent tomboy from a noble family contrary to the social demands of Darkovan women That was bad enough but when Romilly s father arranged her marriage to a nobleman she found repulsive she rebelled Disguising herself as a boy she fled into the deep forests Living off the land was not nearly as difficult for Romilly as for most people for she possessed a rare and highly treasured gift telepathic communication with hawk and horse But Romilly soon discovered her newfound freedom was far from complete Pulled into the maelstrom of a civil war could Romilly find her true role in life without sacrificing her ideals
