and topics students encounter in the program have been carefully selected to expose them to rich and varied ideas and perspectives of cultural significance. These texts not only equip students with key ideas for participating knowledgeably in the important discussions of our time but also contain the complexity of expression necessary for developing college and career ready literacy skills.

Literacy Skills The program articulates and targets instruction and assessment on twenty CCSS aligned literacy skills ranging from making inferences to reflecting critically. Students focus on this set of twenty skills throughout the year and program continually applying them in new and more sophisticated ways.

Academic Habits The program articulates twelve academic habits for students to develop, apply, and extend as they progress through the sequence of instruction. Instructional notes allow teachers to introduce and discuss academic habits such as preparing and completing tasks that are essential to students' success in the classroom. The program materials include a comprehensive set of instructional sequences, teacher notes, handouts, assessments, rubrics, and graphic organizers designed to support students with a diversity of educational experiences and needs. The integrated assessment system centered around the literacy skills and academic habits allows for the coherent evaluation of student literacy development over the course of the year and vertically across all grade levels.

Teaching Huckleberry Finn John Nogowski, 2018-08-03. Nearly all of the Gadsden County's student body is black and considered economically disadvantaged, the highest percentage of any school district in Florida. Fewer than 15 percent perform at grade level. An idealistic new teacher at East Gadsden High, John Nogowski, saw that the Department of Education's techniques would not work in this environment. He wanted to make an impact in his students' lives. In a room stacked with battered classics like *A Raisin in the Sun* and *To Kill a Mockingbird*, he found 30 pristine, quarantined copies of *The Adventures of Huckleberry Finn*. Abused by an alcoholic father, neglected by his own community, consigned to a life of privation and danger, wouldn't Huck strike a chord with these kids? Were he alive today, wouldn't he be one of them? Part lesson plan, part memoir, Nogowski's surprising narrative details his experience teaching Twain's politically charged satire of American racism and hypocrisy to poor black teens.

The Economic Way of Thinking Paul Heyne, 1991. *David Copperfield* Charles Dickens, 2003-09-15. Bring The Classics To Life. These novels have been adapted into 10 short chapters that will excite the reluctant reader as well as the enthusiastic one. Key words are defined and used in context. Multiple choice questions require the student to recall specific details, sequence the events, draw inferences from story context, develop another name for the chapter, and choose the main idea. Let the Classics introduce Kipling, Stevenson, and H. G. Wells. Your students will embrace the notion of Crusoe's lonely reflections, the psychological reactions of a Civil War soldier at Chancellorsville, and the tragedy of the Jacobite Cause in 18th Century Scotland. In our society, knowledge of these Classics is a cultural necessity. Improves fluency, vocabulary, and comprehension.
