M. Pillow,2014-08-01 Mede is a strong willed dragon shifter who refuses to marry Prince Llyr wants her for himself but with enemies gathering and time running out can he persuade her to become his queen Mede knows three things for a fact As the only female dragon shifter of her people she is special She can kick the backside of any man And she absolutely doesn't want to marry Mede has spent a lifetime trying to prove she's as strong as any male warrior Unfortunately being the special rare creature she is she's been claimed as the future bride to nearly three dozen dragons each one confident that when they come for her hand in marriage fate will choose them When the men aren't bragging about how they're going to marry her they're acting like she's a delicate rare flower in need of their protection But Mede is far from a shrinking solarflower Prince Llyr knows four things for a fact He is the future king of the dragon shifters He must act honorably in all ways He absolutely positively is meant to marry Lady Mede And she is dead set against marriage Llyr's fate rests in the hands of a woman determined not to have any man With a new threat emerging amongst their cat-shifting neighbors a threat whose eyes are focused firmly on Mede time may be running out It is up to the prince to convince her to be his dragon queen Book Nine of the Dragon Lords series This is the original Dragon Lords series by NY Times and USA TODAY Bestselling Author Michelle M Pillow A Prequel Story The Dragon's Queen is one Kick Butt romantic story of the woman everyone considers a rare and precious gem and the one man who sees beyond the fairy tale to the hardcore goddess she really is I enjoyed this book from start to finish watching both Llyr and Mede change and move towards each other as who they are meant to be Kris Insightful Mind Reviews 2014
