Too Much Happiness:

Too Much Happiness Alice Munro, 2010-09 It presents stories about Svengali men and radical women who outmanoeuvre them about destructive marriages and curdled friendships about mothers and sons about moments which change or haunt a life A wife and mother whose spirit has been crushed finds release from her extraordinary pain in the most unlikely place The young victim of a humiliating seduction finds an unusual way to get her own back and move on An older woman dying of cancer weaves a poisonous story to save her life The long title story follows Sophia Kovalevsky a late nineteenth century Russian emigree and mathematical genius as she takes a fateful winter journey that begins with a visit to her lover on the Riviera and ends in Sweden where she is a professor at the only university willing to hire a woman to teach her subject

On Happiness Camilla Nelson, Deborah Pike, Georgina Ledvinka, 2015 What is happiness and how does the pursuit of happiness shape our lives Happiness appears to be a simple emotion individual and pleasurable yet the problems associated with happiness in politics economics and philosophy suggest that it is perhaps more complex and paradoxical than we first thought This eclectic collection of essays interrogates the common sense understanding of happiness in the West and examines the strategies devised to obtain it Without disposing of the concept altogether the book rediscovers the latent aspects of this pervasive and elusive phenomenon Ultimately it concludes that our current notions of happiness may in fact be the very cause of our discontent On Happiness offers readers a spectrum of critical reflections and rethinks of this ubiquitous cultural obsession Librarians ebook available on ProQuest and EBSCO Subject Philosophy Sociology Popular Culture
